A pleasant overnight readVon Davis0056Magnus (Earl of Rutherford) is in his 30's, unmarried and is told he has an incurable heart condition that will kill him within the year. He wants an heir in a hurry. Cara needs money for her penniless mother and younger brother who needs expensive treatments for his consumption. Magnus provides the money Cara needs, though he doesn't know why she needs it, and she tries to provide the heir. This is a sweet story with both people fearing to share all their secrets. I enjoyed seeing how the two resolved their problems and fears. This

is not a deep philosophical book, but it is a nice one night diversion.

KurzbeschreibungDire Need Had Driven Caroline Wembly Into The Arms Of The Infamous Earl of RutherfordBut though she was his lawfully wedded wife, Caroline was certain the desires Magnus aroused couldn't possibly be legal. This marriage of convenience was fast becoming moremuch morethan she'd bargained for!"Till death so us part." The phrase rang with irony for Magnus Eddington, for time appeared to be running out for the earl of Rutherford. He needed both heir and angel to redeem his devilish past, yet could heaven-sent Caroline Wembly be the balm for his broken soul?KurzbeschreibungDire Need Had Driven Caroline Wembly Into The Arms Of The Infamous Earl of RutherfordBut though she was his lawfully wedded wife, Caroline was certain the desires Magnus aroused couldn't possibly be legal.
