KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sizzling !!!! Hot!!!! Von Lilian Roberts I bought the book because I am a Christina Mandara fan. The author has an amazing way of delivering the hottest, most sizzling story that keeps you fixed to the pages. Mark is an intense Dom but Christian gives him a softer edge in this book. I am not an expert in BDSM but he seems to be perfect for this character. This book is more involved and the story gets more complex. I just can't imagine how this can become any better in the next book to come but somehow I know that this author can manage to surpass everything she does. It is thrilling, exciting and definitely sizzling hot!!!!

KurzbeschreibungShe immediately recoiled in horror, for reflected in the mirror before her was a human horse, complete with perky rubberised ears. Hoof-mitts were being worked up her hands and she knew it wouldn't be long before her boots followed suit. Not content with having taken her speech, liberty and free will away, now they wanted to make her look like an animal too! Who will have the pleasure of training Petal? By rights, the honour should go to Mark Matthews, but the cowboy has other plans. The matter is not settled until the stable owner is brought into the fray. It is to be a monumental first week for Albrecht's newest trainee. The pony girl will have two days to find a way of coping with her new latex bodysuit and the rigorous buzzing and pumping of the never-ending 'device' which torments her every waking moment. She will then find herself shipped off as a sex-slave, chained and caged, to the mysterious high-bidder from the auction. It doesn't take Petal long to realise that her chances of escaping from Albrecht are slim at best, but her defiant nature won't let her give up hope just yet. There is a way out for her, but she may have to give up more than her sanity in order to achieve it.

ber den Autor und weitere Mitwirkende Christina Mandara was born in the UK, but has spent most of her life travelling the world. She speaks three languages and has been chiefly employed in the fields of finance and travel. Her favourite city is Sydney and her favourite holiday destination is the south of France. She loves keeping fit and enjoys running, cycling and water sports. No, not those kinds of water sports; think surfing or sailing. That doesn't mean that she doesn't enjoy BDSM in all of its glorious forms, be that pony girls, bondage, edge play, orgasm denial or a damn good spanking. Her favourite item in the toy closet (a box simply isn't big enough) is her riding crop. In her spare time she's usually cuddled up with a good book, exploring the countryside or baking in the kitchen. In fact, she loves her kitchen so much she's one of few women who wouldn't mind being tied to it! Her first and foremost love is writing, however, and more often than not you'll find her on a laptop spinning tales of romance, erotica or dark, paranormal fantasies. Those in the BDSM world might wonder whether Ms Mandara is a top or a bottom. Is she currently training a herd of pony boys or is she stabled up, in full leather tack, with the pony girls? It's a good question. Answers on a postcard please or try and figure it out yourself by visiting Ms Mandara's blog: [www.christinamandara.wordpress.com](http://www.christinamandara.wordpress.com)
