Unconvincing Plot Von Jen I have quite mixed feelings over this book. It's well written but the plot grated due to the complete lack of historical accuracy. Events happened that were impossible in the 1800s, people overreacted to some things and under-reacted to others. The actual historical characters aren't very true to life. The Regency period was fascinating and an author could do so much with the Royal family (mad Kings, adultery, love affairs, tragic deaths) but I feel it was all glossed over in the book. On a different note, Elizabeth annoyed me in this story by paying too much attention to Lady Catherine and Miss Bingley's hateful opinions. I feel that her courage should rise at every attempt to intimidate her. So to sum up; if you know a lot about the Regency period and the English aristocracy, this book might be a disappointment. If on the other hand you don't care about historical accuracy and are looking for a lighthearted read, then by all means buy the book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. royal Von uli ulrich Ha, ich habe es ja immer gewusst, Lizzi ist kniglicher Abstammung! Deshalb ist sie klger, schner und natrlich edler. Kein Wunder, sie hat andere Eltern und wurde als Baby angenommen. Welch ein Spass. Jetzt nicht wirklich im Sinne von Jane Austen, aber Stolz und Vorurteil sind dennoch erhalten. Natrlich sind die Charaktere etwas dieser Situation angepasst, aber die Stimmung ist durchaus austenisch. Sehr unterhaltsam

Kurzbeschreibung What if. Elizabeth Bennet outranked Fitzwilliam Darcy? The familiar love story featuring two of the most celebrated characters in our history comes to life again in a what if story with a twist. Elizabeth and Darcy are in love and plan to marry, until Elizabeth comes face to face with Lady Catherine De Bourgh. Although standing strong during the worst confrontation of Miss Elizabeth's life, she soon realizes that she cannot marry Mr. Darcy and refuses him. Futile attempts by Mr. Darcy to win her back fail, until he finds out the most astonishing information about Elizabeth Bennet. Kurzbeschreibung What if. Elizabeth Bennet outranked Fitzwilliam Darcy? She is currently the office manager of a top 500 home improvement company. She is a member of the Jane Austen Society of North America (JASNA) and the Romance Writers of America (RWA). She has been a Jane Austen fan for as long as she can remember. She reflects back to many days living and reliving the lives of Darcy and Elizabeth through Jane Austen's Pride and Prejudice until she saw the 2005 movie production. Now she just watches the movie over and over (and over) again. She is married to her very own Mr. Darcy and lives in North Carolina with her two dogs, two cats and her horse. This is her first novel. She enjoyed writing so much and intends to write more. Look for Relentless Considerations A Tale of Pride and Prejudice in 2013.
