Von FilerimosThe second book of this series (I think that is was it will become.) was worth waiting for!As already with TWPAI, I loved the story and the characters. Putting it down was very hard:-).I don't want

to spoil something, so I'll not talk much about the storyline in detail. I think for this second book it's better if you let yourself surprise what will happen....- Just let me say, that Domenico will meet Misty in the realm of the elves. Also there is a war to be on the way and a good looking "male" fay who shows a interest in Misty. Besides the storyline I found the development of Domenico and Misty - in comparison with TWPAI - very interesting. Their love story showed us how much a separation can change someone. In this case both, Misty and Domenico, found an inner strength who helped reform their relationship.- Therefore ARH is a mostly Misty-Domenico-book. Other known characters (have to) play only a second role in this story.

Kurzbeschreibung Domenico Moretti used to have it all. He was prince to one of the most powerful and wealthiest Lyccan packs in the world, a warrior who made his opponents tremble in fear, a gorgeous billionaire every woman desired. Only when his wife disappeared did Domenico realize that none of it mattered if he did not have Misty's love and trust. Misty Wall used to be a wimp, a starry-eyed fool who thought she was about to live happily ever after with the werewolf she loved. She used to think Domenico Moretti loved her back until his lies publicly shamed her with the revelation that she was never his mate and was only ever his pawn for revenge. When the threat of war looms closer, the alliance between non-human races is put to the test and forces the estranged couple to face each other again. To prove that his princess means more to him than anything else, Domenico makes the greatest sacrifice, laying his pride on the line and turning his back on his destiny. Domenico had hoped for a second chance, but heartbreak may all that awaits him when Misty seals her allegiance to the Faeries by promising to wed another man.
