Von Cara Colter : A Royal Marriage before purchasing it in order to gage whether or not it would be worth my time, and all praised A Royal Marriage:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. What an excellent job, Ms Colter!Von Ein KundeI'm generally not one to read, let alone write reviews of categoryromances, but in this case I'll make an exception. I was quite delighted with this book. Considering it is part of a series, and given

the limitations imposed upon the writer by having the characters' names, the settings, and a fair bit of the plot predetermined for her, I'd say Ms Colter had quite a challenge before her. It must be much easier starting off with one's own ideas, characters and plot. I'd say the author has done a terrific job of weaving all these disparate strands together in a cohesive, entertaining fashion. I'll admit the name Damon Montague is absolutely putrid, and Shakespeare must be rolling in his cliched grave at how frequently and drearily over the centuries the name Montague has been employed as a high class moniker. Give us a break! Who thinks up these dud names, not to mention the boring generic names for the kingdoms? Whatever you do, don't blame the talented Ms Colter for these sorry boners! If readers want realism, find a Jane Rule book. If they want warmth, heart, humour and romance, all served up with a deft, magical touch, go back through Cara Colter's collection of titles, particularly *Baby in Blue*, *A Bride Worth Waiting For*, or *Weddings Do Come True*. They're all gems, and Ms Colter is about the only romance writer I will take time to read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. OK...but not believable Von kcs-calif On what planet would a Royal Prince propose to a woman he met an hour ago! Then after a week of marriage, decides to give her up because he cares for her and wants to set her free! This stretches my imagination TOO far. The mystery of sister Victoria's kidnapping, and introducing Rachel's daughter Carly were very enjoyable. The lead-in to the next book was promising. This 'Royally Wed' series has been REALLY good, (for the most part). I would recommend reading the whole group! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Read Suzanne Brockmann's *Royally Wed* book and end there Von pontmarie This series has gone from okay to mediocre to just plain old bad. It started off with Brockmann's *Undercover Princess* (one of the first books) and then it deteriorated into royal books about ANOTHER family, and now it's just bad. This book had a ludicrous plot and silly characters. Don't feel that because you started the series you have to finish it.

Kurzbeschreibung Fan-favorite *Royally Wed* miniseries originally launched with Susan Mallery and continues with Cara Colter's beloved story, *A Royal Marriage*. Prince Damon Montague needed a wife. And there was no better candidate than Rachel Rockford, a single mom with a baby connected to the Montague Royal Family, a woman who needed a prince to sweep her off her feet! Damon would do his duty as a husband and father and even help Rachel search for her missing sister. But scarred by the pain and loss of his past, that was all he could offer. He couldn't risk loving anyone ever again. But his princess bride and her baby just saw this as a challenge: if anyone could melt this prince's frozen heart, they could! The *Royally Wed* miniseries also featured the following titles: *A Royal Marriage* by Susan Mallery, *Undercover Princess* by Suzanne Brockmann, *The Princess's White Knight* by Carla Cassidy, *The Pregnant Princess* by Anne Marie Winston, *Man Mercenary Monarch* by Joan Elliott Pickart, *A Royal Masquerade* by Arlene James, *A Royal Mission* by Elizabeth August, *The Expectant Princess* by Stella Bagwell, *The Blacksheep Prince's Bride* by Martha Shields, *Code Name: Prince* by Valerie Parv, *An Officer and a Princess* by Carla Cassidy.
