Ein Buch fr einen verregneten Nachmittag fr gute Laune!Von s66bEin Buch fr einen verregneten Nachmittag mit allem auf und ab des Lebens und einem guten Ende. Das Buch ist flssig geschrieben. herausgearbeitet und die Gefhle gut nachvollziehbar.

Kurzbeschreibung Georgina, Princess of Wales, has always known her destiny, but she never expected duty to call so soon. When her father dies suddenly, she is called back from her Royal Navy post to assume the crown. While the people acclaim their new Queen, Great Britains first openly gay monarch, all George feels is the isolation of her station. Beatrice Elliots staunch anti-monarchist views have always been a point of gentle contention with her working class, royalty-loving parents. When Beadirector of a hospice charity must spend six months working with Queen Georgina, her charitys new patron, sparks fly and passion blooms. But is love enough to bridge the gap between Bethnal Green and Buckingham Palace? She has a diverse range of qualifications, including a BA in public management and a diploma in acting and performance.
