Von J.D. Faver : A Sandcastle Christmas (THE EDGE OF TEXAS Series Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Sandcastle Christmas (THE EDGE OF TEXAS Series Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The end of The Edge of TexasVon Kindle JunkieAll the main characters of the Edge of Texas series get more or less equal time here. The reader finds out a bit more of how things work out for the characters. But not too much depth in this

story itself.

KurzbeschreibungNight Owl s 5* Top Pick: A Sandcastle Christmas (The Edge of Texas, #5)"A Sandcastle Christmas" by J.D. Faver is one very good read and the first read for me by this author. I will say it will not be the last because I do plan on checking out more from this author's series. I found that "A Sandcastle Christmas" was a novel that had a little bit of everything. An infant is abandoned in a manger scene at church, it sets off a string of events including murder, a stalker, a lot of seasonal tension and heartwarming happenings for the gang. This will keep you turning the pages until the end.The characters were all so well developed, colorful, likable and so very intriguing. You get Chloe and Rafael, Darla and Mike, Cassie and Javier and Sky, Zach and may other secondary characters. They come together to give the reader such a very intriguing read. This author has brought all of these characters together during this special time of the year with each one bringing their own set of troubles with them. The big question is will the sheriff be able to solve these mysteries with the help of the community during this holiday season? At this time I will say you must pick up "The Sandcastle Christmas" to see how this author will bring it all out to the reader.This novel is from 'The Edge of Texas series' and even though this novel can be a standalone read I am going to suggest that the reader can get a better read on what has happened earlier by reading the series. Be ready for a Christmas story with some mystery throughout. You will get placed into a warm beautiful storyline of romance and suspense."The Sandcastle Christmas" will give you a very good amazing read that I definitely recommend to you. ~*~ ~*~ ~*~A SANDCASTLE CHRISTMAS-Christmas Mainstream-Romantic Suspense; 110kCome see whos stirring up Christmas trouble and raising the temperature on the coast.Tis the season, but mayhem doesn't stop on the Texas Gulf coast...even for Christmas.
