KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. ganz nettVon BirgitGanz nett, aber meines Erachtens viel zu viel Getue um das ewige ..... "der Tod steht schon fast vor der Tr"...und immer auf das Alter hinweisen.... als wenn sie 105 wre... das war fr meinen Geschmack ein bisschen viel, fand ich albern und es hat nach einer Weile total genervt.Es ging immer irgendwie nur darum, egal was sie gemacht und gedacht und gesagt hat. War wirklich schade, weil die Story an sich ganz gut war und mir gefallen hat.

KurzbeschreibungOne of Operas great sopranos is dead. Was it murder? If so, who killed her? The Roma? The jealous wife? The ruthless understudy? Or was it Emmas tomato sauce? Newly residing in Blissburg, a quaint, wine country town north of San Francisco that caters to the rich and richer, amateur sleuth Emma Corsi has a week to solve the murder before her second career as a food writer is ruined. Her search entangles her with many of Blissburgs quirky residents including a hunky Italian celebrity chef and an unlikely suitor named Jack Russo. In this first book of A. J. Cartons new series, the Sonoma Wine Country Cozy Mysteries, Emma must confront a career change, the death of a close friend, and her turbulent relationship with her ambitious, outspoken daughter, Julie, who criticizes Emmas beau as too sleazy and her wardrobe as too hippy for upscale Blissburg. Things only get worse when Emma becomes a homicide suspect, and Julie finds her successful PR firm threatened with extinction. Will Emma blow off a budding romance, or will she find the killer before she ends up in jail?KurzbeschreibungOne of Operas great sopranos is dead. Was it murder? If so, who killed her? The Roma?
