**Von Sylvia McDaniel : A Scarlet Bride: A Southern Historical Romance (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Scarlet Bride: A Southern Historical Romance (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Revenge, a Rogue and Romance... Fun!Von LindyAlexandra had a terrible first marriage. Her cheating husband accused her of adultery and divorced her so he could marry his lover. Five years after the scandal, Alexandra moves to South Carolina with her aunt and uncle to start rebuilding her life. But no way is she getting married again! She's got

big plans for revenge against the ex who ruined her life. Her scheming father has something else in mind. He wants her to produce an heir to his banking empire, instead... Enter our roughish hero, Conner Manning, who will do just about anything for the money to save his plantation from destruction, including compromising Alexandra and forcing her into marriage. But Conner, the county's biggest rake, has also made a bet with bud William that he'll have icy Alexandra in his bed within a month. Marriage seemed like the perfect solution when Alexandra's father came with his proposition: Money for marriage, even more for a baby. These two strong characters clash, even during their intense attraction. Alexandra has to choose between revenge and love, while Conner has to learn what love even means. This was a page-turning read I recommend to all!

0 von 0 Kunden fanden die folgende Rezension hilfreich. What A Great Love Story! Von Ein Kunde Scarlet Bride is a beautiful love story that proves love is sweeter than revenge and more precious than gold. Conner (the hero) was a wonderful combination of a southern gentlemen and a rake. If I couldn't have him in real life, I'm glad Alex (the heroine) captured his heart in Ms. McDaniel's rendition of the majestic old South.

Kurzbeschreibung A Scarlet Woman and a Handsome Rake How Do You Seduce A Woman Who Mistrusts All men? Alexandra Thurston wants revenge. Revenge on the husband who accused her of infidelity and divorced her, tainting her as a scarlet woman. She vows to reclaim her good name and never marry again. But her father wants grandchildren, heirs to his banking fortune and is determined to find her a husband. He has no luck until she finds herself caught in a compromising position with the handsome plantation owner, Connor Manning. Connor Manning loves only one thing, his southern plantation and hes desperate to save River Bend from the tax man. Desperate enough to agree to marry Alexandra for cold hard cash never dreaming that this spirited woman would ensnare his heart, leaving him yearning for a marriage more than in name only--knowing their marriage is based on a terrible betrayal. I love books like this one. The Old South, especially South Carolina, is rich in history. I enjoyed the book and hope to see more of the Old South in romance books. I enjoyed this book so much that I have read it three times. Each time I read it seemed even better. A true book that takes you back to a time where women were not first class citizens. It seems very correct of the time frame and is a delight to read. You can actually feel the pain of Alexander and Connor. You will find yourself cheering for this couple as scandal comes a calling once again. I loved this book! The story was great and the characters' relationship was emotional Towards the end I was in tears. at times.....loved the ending! Scroll up and grab a copy today!

Autorenkommentar HE MARRIED HER FOR MONEY... BUT COULD HE WIN HER WITH LOVE? Alexandra Thurston's opinion of the male species is as tainted as her reputation. Her husband disgraced her when he wrongfully accused her of infidelity, and then divorced her. Running from her shattered life, Alexandra spent five years in England vowing never to trust another man again. Now she's returned to Charleston, South Carolina, at her father's request, determined to reclaim her good name. But when she crosses paths with Connor Manning, the devilishly handsome plantation owner, she soon finds herself unwittingly caught in a compromising position. When he promises Alexandra's father he'll marry her for cold, hard cash, Connor's only wish is to save the family plantation. He never dreams that this spirited woman will capture his jaded heart, leaving him with a desire for more than a wife in name only. But he is all too aware that the glorious passion they share is built on the foundation of a terrible betrayal... unless he can convince her to forgive him for wedding her in deceit and that his undying love is true. A SCARLET BRIDE is receiving rave reviews. Five hearts - "This book, rich with southern flavor, has all the aspects a historical romance should be. A handsome, masculine hero, a beautiful, strong heroine and a wonderful, powerful love. It is a well-written love story that makes you really care about the outcome of this couple's passion for each other. I had a warm feeling long before I read the last page. I look forward to

Ms. McDaniel's next book, as she definitely knows what readers expect!" Elizabeth's Book Collections and More
