Von Lewis Grassic Gibbon : A Scots Quair (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Scots Quair (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Wonderful,timeless. A masterpieceVon Ein KundeIt is rare to find a book written on Scotland at the beginning of the

20th century to be so powerful and moving. The book heroine, Chris Guthrie is one of the most realistic and brilliant characters in modern literature. To have a book that merges elements of the Kailyard and the counter-Kailyard movement so effectively is an brilliant idea, difficult, but brilliant. Quite simply the greatest book ever written.1 von 1 Kunden fanden die folgende Rezension hilfreich. Wonderful. Timeless. A marvelous read, esp. for Scots.Von J. S. OleksakFor Americans of Scottish descent, "A Scots Quair" (a trilogy) will teach you how Scots in Kindardineshire spoke, what life was like, how the air might have felt against your cheek. It's like looking into the hearts and minds of our ancestors and finding that life's basics have not changed at all.1 von 1 Kunden fanden die folgende Rezension hilfreich. A superb account of Scotland earlier this centuryVon Ein KundeA marvellous trilogy with each novel depicting that particular era superbly. My personal favourite was Sunset Song because it was saluting the end of an era for the Scottish crofter who will always be part of Scotland's great heritage.

Kurzbeschreibung"A Scots Quair" by the Scottish writer Lewis Grassie Gibbon (the pseudonym of James Leslie Mitchell) is a trilogy consisting of three novels: Sunset Song, Cloud Howe, and Grey Granite. The trilogy, a classical work of Scottish literature, describes the life of a young woman Chris Guthrie in the north-east of Scotland in the early 20th century.PressestimmenGibbon's style is one of the great achievements of the trilogy and should be seen . . . in the context of modernist innovators such as James Joyce, Gertrude Stein and William Faulkner.--Tom CrawfordIt would be impossible to overestimate Lewis Grassie Gibbon's importance . . . A Scots Quair is a landmark work; it permeates the Scottish literary consciousness and colours all subsequent writing of its kind.--David Kerr CameronA Scots Quair is a lyrical achievement still unparalleled in British writing.--Ali Smith"This book may be read with delight the world over." --New York Times Kurzbeschreibung"A Scots Quair" by the Scottish writer Lewis Grassie Gibbon (the pseudonym of James Leslie Mitchell) is a trilogy consisting of three novels: Sunset Song, Cloud Howe, and Grey Granite. The trilogy, a classical work of Scottish literature, describes the life of a young woman Chris Guthrie in the north-east of Scotland in the early 20th century.
