Von Janette Oke : A Searching Heart (Prairie Legacy Book #2): Volume 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised A Searching Heart (Prairie Legacy Book #2): Volume 2:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. I can relate to this bookVon Sherry BentleyThis book is about a girl who gets out of school and must decide what to do with her life. I will graduate next year and am faced with the same decision. I liked the way she made God the center of her life. This is a good Christian book that I would recommend to anyone!0 von 0 Kunden fanden die folgende Rezension hilfreich. It is better than The Tender Years!!!!Von Ein KundeI have read alot of series book and it seems that the

sequels never live up to the first. Most authors could have put everything in one book. But not this one. I could not believe that this book was better than the first. It kept moving and there was not a slow part anywhere. Virginia was a bright and mature young girl in *The Tender Years*. She has blossomed into a bright mature young woman. She is learning that everything has a purpose and God will take care of everything.. I recommend this book highly. It was so good now I cant wait until #3 comes out. I hope I dont have to wait tooo long.....My neice and I are anxiously waiting.. WAY TO GO JANETTE OKE..You have created another masterpiece0 von 0 Kunden fanden die folgende Rezension hilfreich. This is a great bookVon Ein KundeI probably enjoyed this book more than the last one. This one really shows a young woman determined to do the right thing no matter what happens, but it also gives you the feeling that Virginia struggled with all of her decisions when life didn't seem to be working out the way she hoped. I can't wait to read the next one.

KurzbeschreibungIn this best-selling novel, Virginia must learn the priorities that God has in mind for her as she makes plans for college.From Library JournalOke (The Tender Years, LJ 9/1/97) continues the story of the grandchildren of the characters that appeared in her highly popular "Love Comes Softly" series. Virginia Simpson is about to graduate from high school and continue her education at college when a family crisis derails her plans. Virginia soon discovers that the rest of the world is moving on without her. Her best friend, Jenny, discovers the freedom of college, and Virginia's boyfriend begins to grow away from God and then away from Virginia. As usual for Oke, this is a tender and touching novel. However, it is also surprisingly slow and lacks enough plot to make it one of Oke's best. Of course, the author's many fans won't mind this one bit, so libraries will still need to purchase this lesser work of one of Christian fiction's great writers.
