second chance Von Susan Williams-Goebber Well just finished reading this wonderful book. And all I could say to this ending was f...k. why did she have to stop right there? I'm not telling you what happened at the end, you should just read it yourself. I hope the 4th book has been written, and is coming out soon. The story line has`nt changed. This time Max gets to go to Troy . Is there a wooden horse? She gets herself into trouble again. So no change there. There are some tears that flow and some un-answered questions which have now been cleared up. If you are a St Marys Fan as I clearly am, you will love this 3rd book. Jodi has made history fun to read yet again. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Zeitreise und Geschichte Von Tamara Max und St Mary' gehen auf weiter Reise in die Vergangenheit. Diesmal besuchen sie Troja, Agincourt und andere Pltze. Bewertung: Ich mag diese Reihe sehr. Vielleicht weil ich mit Geschichte viel zu tun habe und gerne solche Zeitreisen unternehmen wrde. Ich mag den Stil der Autorin, vor allem ihre Sprche ber Historiker, die irgendwie wie Insiderwitze klingen, auch wenn jeder vernnftige Historiker es abstreiten wrde. Selten mache ich mir so viele Notizen in den Bchern mit Stzen, die mich zum Schmunzeln bringen (und die ich mal gerne zitieren wrde). Die Ereignisse sind gut recherchiert, ich finde die Beschreibungen vor allem bei Agincourt sehr schn und przise. ber Troja kann man natrlich streiten (das tun die Historiker sowieso), aber die Idee wie es abgelaufen sein knnte finde ich schon faszinierend. Was irgendwie in diesem Teil im Vordergrund steht, ist die Beziehung zwischen Leon und Max und die Hintergrnde ber St Mary's. Vor allem wie Leon und Max zu dem Job gekommen sind, ist sehr interessant. Die Andeutungen aus dem anderen Bchern werden schon teilweise gelftet. Nicht gefallen hat mir das Ende, wo Max in einer anderen "Geschichte" (Dimension) landet. Ich kann schon verstehen, dass die Geschichte weiter gehen soll (es freut mich auch), aber irgendwie finde ich es irritierend. Trotzdem werde ich weiter lesen und freue mich auf die weiteren Teile. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Read it. It is great Von freo It is the third book in the series. Great read. If you love history, crime, thriller, mystery, fantasy or action, then this book is for you. Its all of the above mixed with a great sense of humour. Read it.

Kurzbeschreibung History happens all around you. And, occasionally, to you. I could have been a bomb-disposal expert, or a volunteer for the Mars mission, or a firefighter, something safe and sensible. But, no, I had to be an historian. It began well. A successful assignment to 17th century Cambridge to meet Isaac Newton, and another to witness the historic events at The Gates of Grief. So far so good. But then came the long-awaited jump to the Trojan War that changed everything. And for Max, nothing will ever be the same again. With the bloody Battle of Agincourt playing out around her, Max risks everything on one last desperate gamble to save a life and learns the true meaning of a second chance. Pressestimmen Praise for Jodi Taylor and The Chronicles of St. Marys Series A carnival ride through laughter and tears with a bit of time travel thrown in for spice . . . readers will be impatient for later installments. Publishers Weekly, starred review Taylor does a great job of setting up an appealing cast of characters in this new series opener, most especially the intrepid Max. There is plenty of humor, lots of action, and even a touch of romance. Library Journal Taylor has written a madcap and very funny hodgepodge of a novel whose pacing and humor is reminiscent of a Simon Pegg Edgar Wright film. Booklist Danger, romance, history, financial and academic politics, hidden agendas, dangerous assignments, characters you care about, and the feeling that more is going on than you're actually reading about. I can hardly wait for book two. Just One Damned Thing After Another is a true page-turner. SFRevu Just One Damned Thing After Another is a novel that wastes no time getting to the good stuff . . . if character-driven stories are your cup of tea, then you'll find plenty to like. Max is hilarious, and I love her spirited and crafty nature. The Bibliosanctum What a mess. A glorious, glorious mess. Let no one ever say that Just One Damned Thing After Another is a book that fails to live up to its title . . . These books are so perfectly bingeable. BN Sci-fi Blog Max is a thoroughly hilarious and confident narrator and the sense of real danger, interspersed with copious amounts of tea, pervades the story. This is the kind of book that you walk away from believing in time travel. Manhattan Book If youre a fan of time travel, or if youre a fan of madcap British comedies, or better yet if youre a fan of both, then you'll want to check out The Chronicles of St. Marys. Adventures Fantastic The book cant be put down, and I loved every minute. Seven books in the series have been published in Great Britain and this first book is now being published in the U.S. I look forward to reading them all. YA Lit Ramblings The writing was witty and fun, and kept making me smile page after page. . . . Max is a brilliant character, the kind of character you root for, faults and all. All Things Urban Fantasy Jodi Taylor doesnt do things the conventional way. Catherine Scott, Yorkshire Post
