Von Mary Balogh : A Secret Affair (Huxtable Quintent) before purchasing it in order to gage whether or not it

would be worth my time, and all praised *A Secret Affair* (Huxtable Quintent):

**KurzbeschreibungBONUS:** This edition contains an excerpt from Mary Balogh's *The Secret Mistress*. Born a commoner, Hannah Reid has been Duchess of Dunbarton since she was nineteen years old. Now her husband is dead and, more beautiful than ever at thirty, Hannah has her freedom at last. To the shock of a conventional friend, she announces her intention to take a lover and not just any lover, but the most dangerous and delicious man in all of upper-class England: Constantine Huxtable. Constantine's illegitimacy has denied him the title of earl, so now he denies himself nothing. Rumored to be living the easy life of a sensualist on his country estate, he always chooses recent widows for his short-lived affairs. Hannah will fit the bill nicely. But once these two passionate and scandalous figures find each other, they discover that it isn't so easy to extricate oneself from the fires of desire without getting singed. **Pressestimmen** "Poignant, thought-provoking, deliciously sensual, and completely enthralling." -- "Library Journal" "Mary Balogh has masterfully woven a romantic tale of the importance of family, of compassion, and of love and forgiveness." -- Fresh Fiction **Werbetext** In her magnificent new novel, *NEW YORK TIMES* bestselling author Mary Balogh sweeps us into a world of scandal and intrigue in glittering Regency England.
