Von Sophia Nash : A Secret Passion (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Secret Passion (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Perfect for a rainy afternoon.Von Detra FitchWidow Jane Lovering refuses to allow her father to wed her to another old man for money. She flees to the small town of Littlefield to reside with her spinster aunt, Clarissa Fairchild. It is there she meets Rolfe. At first she thinks he is a stable hand on a runaway horse. She quickly learns he is the obnoxious arrogant, and short tempered Lord Graystock.Rolfe Fitzhugh St. James, the Earl of Graystock, has never met a woman like Jane before. She remains unbowed before his temper and even goes so far as to offer her help in training his

stallion! Rolfe decides to marry her instead of strangle her. But while Rolfe goes behind her back with her knowledge to her father to make arrangements Jane is deciding her own future. By the time Rolfe returns, Jane has met up with a childhood sweetheart Harry who has his own marriage proposal. As for Aunt Clarissa, it is just her luck that Rolfe's visiting friend, Sir Thomas Gooding (previously his subordinate officer in the military), happens to be one of her suitors from years ago.***** There are two, sometimes three, sets of romantic suits going on at once in this deliciously scandalous romance novel. Jane is often coming up with wild plans and attempting to follow through without really considering the consequences of them, or of what her heart tells her. The story is not set in London with all the balls and parties, so no vicious gossiping from anyone in the Ton to speak of. But readers know the tongues in London are blabbing away. This story is the perfect way to spend those rainy afternoon hours. I look forward to Sophia Nash's next release. *****Reviewed by Detra Fitch of Huntress Reviews.2 von 2 Kunden fanden die folgende Rezension hilfreich. Was ich erwartet habe.Von KaSiDas Buch gestaltete sich als spannend und enttäuschte nicht.Sowohl der Plot, als auch die Entwicklung der Charaktere waren gut und nachvollziehbar ausgearbeitet.An sich eine runde Sache.Spannend, romantisch und bereichernd sind die drei Begriffe, mit denen man das Buch am treffendsten beschreiben kann.Ich kann den Kauf empfehlen.

KurzbeschreibungWhen fate steps in to leave Jane Lovering a widow after a loveless marriage, the dutiful lady grasps at a second chance for love with a childhood beau. But then she is thrown into the path of a devilish man with secrets in his dark past. And Jane discovers she must choose between her heart and her head if she is to find everlasting love, which is not always in the best laid plans . . .The Earl of Graystock is bemused to be mistaken for a stable hand. But after a shocking interlude with the lovely widow, his wry amusement turns to consternation when she plans a future with another man. And yet she refuses to walk away until this former military hero makes peace with his scandalous past. But once all the barriers on the course to redemption are removed, can he win her before it's too late?KurzbeschreibungWhen fate steps in to leave Jane Lovering a widow after a loveless marriage, the dutiful lady grasps at a second chance for love with a childhood beau.
