Von Janelle Denison : A Shameless Seduction (Heat) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Shameless Seduction (Heat):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A good girl turned better romp!! Von Deborah Macgillivray Melanie is the 29 years overprotected daughter of a former policeman, Cole is the straightlaced PI that look at her father as a substitute father image his whole life. He hired her as a favour to her father - thinking to give her a 'safe' place to work as a protected secretary. Only she wants to be a PI and want him!! Cole will not listen to using Melanie on the current case that requires a sexy woman to pose as his date. 1) Melanie is hardly sexy - sure she gets under Cole's skin in a girl next door sort of way and 2) he has promised her

father to protect her. But Melanie has had enough protection and wants to cut loose and show not only is she the woman for the case, but the woman for him. It's fun and so sexy! Way to go Ms. Denison.

Kurzbeschreibung Secretary Melodie Turner has languished in lust for her boss, P.I. Cole Sommers, for years and now she's going to do something about it! Cole might be able to resist her sassy new hairstyle, barely there lingerie and sexy new attitude. But when she takes a cue from his current case, seducing Cole's mind with highly erotic letters, she knows his body won't be very far behind. P.I. Cole Sommers is definitely in over his head! He's got more cases than he can handle, but all he can think about is taking his secretary to bed. At every turn, Melodie is there, taunting him, teasing him, making him burn. But Cole had promised to protect her even from himself. Only, he hadn't counted on being the target of Melodie's sensual assaults. Nor had he planned to lose his heart in the battle.

ber den Autor und weitere Mitwirkende Janelle Denison never intended to become a writer, but her love of books and romance led to writing the kind of heart-warming stories she's enjoyed from Harlequin over the years. She lives in Southern California with her engineer husband, whose support and encouragement has enabled her to follow her dream of writing, and two young daughters, who keep life interesting and give her plenty of ideas for the young characters she includes in her books. Along with writing warm, traditional Romances for Harlequin, Janelle also writes modern, ultra-sexy stories for Temptation's Blaze series. Though she enjoys the diversity of writing for these two different lines, she strives to make all her books emotionally satisfying reads. Janelle enjoys hearing from readers.
