Von Andrew Grey : A Shared Range (Range series Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Shared Range (Range series Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Toller Start für eine super Serie Von Renate Dakota ist wirklich ein Schatz von einem Cowboy und seine Range entwickelt sich im Laufe der Zeit zu einem sicheren Hafen für gebeutelte Cowboys (*g*). Dakota und Wally sind der Fels, der unerschütterlich durch die ganze Serie steht. Jedes Buch hat neue Protagonisten, immer geht es um erlittenes Leid, um

mangelnde Toleranz, gefundene Akzeptanz, um Freundschaft, Liebe und Familie. Von einem Mann geschrieben, sind diese Storys sehr authentisch, die vorherrschende Homophobie oft befremdlich und schmerzlich. Ein HEA muss es dann aber doch sein, um nach ein paar verdrehten Tränen am Ende jeden Buches auf einer Wolke der Glückseligkeit zu schweben (ok, das ist jetzt vielleicht doch ein wenig theatralisch LOL). Fazit: Das Lesen dieser Serie macht viel Freude!

Kurzbeschreibung Stories from the Range: Book One After a year in medical school, Dakota Holden returned home to take care of the family business full time and help his father cope with multiple sclerosis. Devoted to his family, Dakota allows himself just one week of vacation a year, which he spends in some exotic location having all the fun he can stand. On his last vacation, a cruise, Dakota struck up a friendship with Phillip Reardon, and it fills an important role in Dakota's life. So when Phillip decides to take Dakota up on his invitation to visit the ranch, Dakota is happy to see him and meet his veterinarian friend, Wally Schumacher. Despite Wally's inclination to help the wolves Dakota's men shoot to protect the cattle, he and Dakota find they have a lot in common, including a fierce attraction. But they'll have to decide if the Wyoming range is big enough for Dakota's cattle, Wally's wolves, and their love.
