ganz so gut wie der Vorgänger Von Miss Alpaka ich habe Clarkes erstes Buch in kürzester Zeit verschlungen und zähle es noch immer zu meinen beliebtesten. Deswegen habe ich mich entschieden, ihr zweites Buch dann auch auf Englisch zu lesen, als ich sah, dass die deutsche Fassung erst im Sommer für 1990 rauskommen soll. Zum Inhalt will ich hier gar nicht so viel sagen - es passiert viel, einiges davon ist durchaus voraussehbar, die Protagonistin ist liebenswert und für das Fernweh-Flair ist auch gesorgt (spielt in England und Tasmanien). Dennoch reicht ihr zweites Buch nicht ganz an ihr Debüt heran, zu oft verliert man sich zwischen den teils vorhersehbaren Katastrophen kleine, langweilige Lücken.

Kurzbeschreibung The deeper the water, the darker the secrets There were so many times I thought about telling you the truth, Eva. What stopped me was always the same thing When Evas husband Jackson tragically drowns, she longs to meet his estranged family. The journey takes her to Jacksons brothers doorstep on a remote Tasmanian island. As strange details about her husbands past begin to emerge, memories of the man she married start slipping through her fingers like sand, as everything she ever knew and loved about him is thrown into question. Now shes no longer sure whether it was Jackson she fell in love with or someone else entirely The truth is, it was all a lie . .

.Pressestimmen "Swimming at Night" reaches deep, exploring sibling relationships, love, friendship, identity, and the willingness to put it all on the line in order to learn the truth. I loved my own journey with these two sisters and the haunting landscape of their travels! --Ellen Sussman, author of French Lessons and The Paradise Guest

A tender and intricate meditation on sisterhood and family, Swimming at Night is an accomplished debut. With a deft hand, Lucy Clarke weaves a deep and compelling story that is as much about what binds us together as it is about what tears us apart. Perfectly capturing the impossibly complicated love of siblings, this is a rich and moving story that lingers long after the book is closed. --Lisa Unger, author of Heartbroken and Beautiful Lies
