KurzbeschreibungMarie Bostwick weaves the unforgettable story of four very different women whose paths cross, changing their lives forever. . .It's a long way from Fort Worth, Texas, to New Bern, Connecticut, yet it only takes a day in the charming Yankee town to make Evelyn Dixon realize she's found her new home. The abrupt end of her marriage was Evelyn's wake-up call to get busy chasing her dream of opening a quilt shop. Finding a storefront is easy enough; starting a new life isn't. Little does Evelyn imagine it will bring a trio like Abigail Burgess, her niece Liza, and Margot Matthews through her door. . .Troubled and angry after her mother's death, Liza threatens to embarrass her Aunt Abigail all over town unless she joins her for quilting classes. A victim of downsizing at the peak of her career, Margot hopes an event hosted by the quilt shop could be a great chance to network--and keep from dying of boredom. . . As they stitch their unique creations, Evelyn, Abigail, Liza, and Margot form a sisterhood they never sought--but one that they'll be grateful for when the unexpected provides a poignant reminder of the single thread that binds us all. . . Praise for the Novels of Marie BostwickFields of Gold "A touching story."--Patricia Gaffney"Gripping, heartwarming."--Dorothy GarlockOn Wings of the Morning "Will set your heart to soaring!"--Debbie MacomberPressestimmen"By the time you finish this book, the women in A SINGLE THREAD will feel like your own girlfriendsemotional, funny, creative and deeply caring. It's a story filled with wit and wisdom. Sit back and enjoy this big-hearted novel, and then pass it on to your best friend." Susan Wiggs, New York Times bestselling author of Just BreatheBostwick makes a seamless transition from historical fiction to the contemporary scene in this buoyant novel about the value of friendship among women . . . Bostwicks polished style and command of plot make this story of bonding and sisterhood a tantalizing book club contender. Publishers Weekly . . . a pleasant story of friendship, with a message of starting over despite the odds. [A SINGLE THREAD] will remind readers of Debbie Macomber's popular The Shop on Blossom Street. The first in Bostwicks Cobbled Court series, this comforting book is highly recommended for public libraries. Library JournalBostwick's warmly nourishing, emotionally compelling novel is quiet yet powerful. John Charles, The Chicago TribuneIn A SINGLE THREAD Marie Bostwick beautifully captures the very essence of women's friendships-- the love, the pain, the trust, the forgiveness-- and crafts a seamless and heartfelt novel from them. Evelyn, Abigail, Margot, and Liza are as real and endearing as my own closest friends, and as I turned the last page I felt that sweet, satisfying sorrow in having to say goodbye that marks the work of a writer at the top of her game. Kristy Kiernan, author of Catching Genius and Matters of FaithThis novel is written for women who have been inspired, or have inspired themselves. RT BOOKreviewsWhat a wonderful story of strength, character and friendship. Ms. Bostwick has written a story so touching that it pulls at your heartstrings and doesnt let up till you finish these womens stories. She takes you on a journey with them and allows the reader to feel the same emotions as these women do. With the obstacles each must face, you cannot help but wish for a happy ending in these womens lives. If you need a wonderful book to touch you and maybe even change your future path, I highly recommend adding A Single Thread to your book collection. Matilda, Coffee Time RomanceThis is a beautiful, feel-good story that I would recommend to anyone who enjoys books about women and their relationships. Working Girl
