KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Laura Morgan, "do not" stop writing! Von Janet Steins Laura Morgan has a fantastic imagination and found something fascinating, that is completely new in the world of the devil/demons and angels! Love it.....

KurzbeschreibungA storm has been brewing for the past fifty years since the new Devil, Cate Rose, took her child of light and darkness back to Hell with her. The angel Uriel, the child's father, wants Lottie for his own, but what lengths will he go to in order to find her? Meanwhile, circus performer Brent and his family's travelling show are all followers of an unholy mistress, the powerful and primeval demon, Lilith. Brent's girlfriend Tilly is unwittingly pulled into their dark world, where she then finds herself under the mesmerising and dangerous gaze of the Black Prince of Hell, Blake Rose. Her life as she knows it is then gone forever, being replaced by a dark and sexy, seductive yet terrifying existence under Blake's rule. Can Tilly's love ever thaw this evil, cold-hearted being? Or will Blake forever remain the icy, distant Prince he has always been? The beautiful, captivating woman and her warm heart are determined to try. Will Blake learn to love at last? Does he even want to? Either way, Tilly will soon find herself becoming a slave to the darkness, and her once so normal existence will never be the same again...***PLEASE NOTE*** This is a dark series that depicts explicit sexual relationships between consenting adults, including romantic suspense and forced consent. They are not suitable for those under the age of 18.
