But he meets more. He also meets Connie Halloran, a deputy. But the core of the story is her seven year old daughter Sophie. A daughter that is followed by a unknown man. And Ethan is the right man at the right place on the right time.Rachel Lee writes this romantic suspense in a heart-touching style. I love the story and felt with the suspense till the last page. I felt with Connie Halloran when her daughter is threatened and finally disappears even under the watchful eye of Conard County.Thank you Rachel Lee for a wonderful time I spent in Conard County.
