Von Amy Lane : A Solid Core of Alpha (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Solid Core of Alpha (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Spannend, sexy und nicht vllig ohne TiefgangVon SiebenschlferAmy Lane hat mich wieder mal nicht enttuscht. Die Geschichte ist sehr spannend, ich konnte sie nur mit Mhe weglegen. Fr mich zeichnen sich Amy Lanes Bcher dadurch aus, da nicht nur eine dnne Geschichte um ein paar Sexszenen gewickelt wird, sondern sie wirkliche Geschichten erzht. Ich finde, ihre Art, mit Problemthemen umzugehen (hier husliche Gewalt, Vergewaltigung) hat erheblich mehr

Tiefe als dies bei vielen anderen M/M-Romanen so blich ist. Es wird nicht nur ein hochtraumatisierter, tragischer Held in die Geschichte geworfen und durch die "Kraft der Liebe" geheilt. Gerade in diesem Buch zeichnet sie ein nachvollziehbares Bild, wie die "Helden" sich entwickeln und verndern. Und wie immer schafft sie es, all die Tragik mit einer ordentlichen Portion Humor auszugleichen, so da es letztendlich doch ein wunderbarer Nachttisch-Schmker ist. Ich freue mich auf mehr von Amy Lane!

Von QuerleserAmy Lane doesn't disappoint her readers: well developed characters (main and otherwise), good dialogues, a solid story and a slowly developing love. Okay, there were some boring parts I mostly skipped, because I didn' want to read Anderson's story twice (the second time from C.J.'s POV when he checked the ship's data) and the change from "I feel sorry for the poor boy" to love from C.J. could have been more convincing. As well as Anderson's change from "I imprint on the first friendly human guy" to real love. But otherwise I really enjoyed their story, especially that there was no rushed HEA, no easy solution for all problems but no unnecessary drama as well.

Kurzbeschreibung Winner of second place for Gay Sci-Fi/Futuristic in the 2011 Rainbow Awards. In an act of heroism and self-sacrifice, Anderson Rawn's sister saved him from the destruction of their tiny mining colony, but her actions condemned the thirteen-year-old to ten years of crushing loneliness on the hyperspace journey to a new home. Using electronics and desperation, Anderson creates a family to keep him company, but family isn't always a blessing. When Anderson finally arrives, C.J. Poulson greets him with curiosity and awe, because anyone who can survive a holocaust and reinvent holo-science is going to be a legend and right up C.J.'s alley. But the more C.J. investigates how Anderson endured the last ten years, the deeper he is drawn into a truly dangerous fantasy, one that offers the key to Anderson's salvation and his destruction. In spite of his best intentions, C.J. cant resist the terribly seductive Anderson. Their attraction threatens to destroy them, because the heart of a man who can survive the destruction of his people and retain his sense of self holds a solid core of alpha male that will not be denied.
