**Von Mackenzie Crowne : A Song for Sophie (Honky Tonk Hearts) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Song for Sophie (Honky Tonk Hearts) (English Edition):

Kurzbeschreibung Jobless, practically homeless, and tired of being manless, Sophie Taylor jumps at the chance to be Beaumont Walker's personal assistant. Six weeks on the road with country music's bad boy--and, more importantly, his all-male crew--is the perfect opportunity to change her life. Beau Walker doesn't need any more distractions. Sophie, with her butt-ugly suits and balls-to-the-wall attitude, shouldn't be one, but she proves to be distracting and more--even, surprisingly, a friend. So when he discovers her plan to snag a man from his worldly wise crew, he's determined to protect her from herself. When Sophie realizes Beau is behind her failure to attract even one member of his crew, the last place she expects to find herself is in his bed. But will one night of passion convince her she's woman enough for him? Or will it destroy their friendship and his budding belief in true love?
