KundenrezensionenHilfreichste Kundenrezensionen3 von 5 Kunden fanden die folgende Rezension hilfreich. Ein "spezielles" BuchVon varietyIch kenne nun schon alle belletristischen Bcher von Douglas Kennedy und hatte anfangs Mhe mit diesem neuen Titel. Auf dem Umschlag heisst es ...her problems soon turn to nightmares... -- was aber in Wirklichkeit erst nach der Hilfe der 500 Seiten tatschlich passiert! Da wurde meine Geduld ziemlich strapaziert. Trotz

allem packte mich das neueste Werk, so dass ich es rasch lesen musste. Die Szenen in der Klinik und auf dem Gericht schreibt er zügig und einfühlsam. Leider verharrt er auf der Beziehungsebene Sally und Tony zu sehr an der Oberfläche bzw. tut alles etwas schwarz-weiß. Da wäre mehr drin gelegen. Interessant wäre zu erfahren, wie eine Frau die Schilderungen betreffend Schwangerschaft und Stillen von Kennedy (er als Mann spricht als Ich-Erzählerin!) empfindet...

Kurzbeschreibung Sally Goodchild is everything you'd expect of a thirty-seven year old American journalist - independent, strong-willed and ambitious. That is until she meets Tony Hobbs, an English foreign correspondent, on assignment in Cairo. After a passionate but uneasy romance, Sally's life is turned upside down when she unexpectedly finds herself married, pregnant and living in London. Married life in a foreign place is a far bigger adjustment than Sally and Tony could ever have imagined - and as their lives shift from freedom and adventure to responsibility and hard work, everyday problems soon spiral into nightmares. After the birth of their son, Sally finds herself trapped in a downward spiral of post-natal depression over which she has little control, whilst Tony's life returns to relative normality. Filled with resentment and unable to cope with the cards life has dealt her, Sally is shocked when the man she trusted above all others turns against her. As her world begins to fall down around her, Sally quickly realises she must fight before she loses everything. In this authentic and compelling novel, Kennedy explores the misunderstandings that can occur when two people speak the same language but miss all the vital signs. **Pressestimmen** Praise for *The Pursuit of Happiness*: Kennedy cannot help but write grippingly, and he weaves threads of love and betrayal into a thrillingly masterful ending. -- *Observer* This is the novel against which the rest of the years' output demands to be judged. -- *Express on Sunday* **Werbetext** The critically acclaimed bestseller from the number one bestselling author of *Five Days*, *The Moment* and *The Pursuit of Happiness*. This bestselling novel is a compelling exploration of post-natal depression.
