anstatt Klischee Romantik.0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice stories Von M. Snook Nothing like a little bit of escapism. I found some stories stronger than others, but overall a nice, quick, enjoyable read.

Kurzbeschreibung Three of Q. Kelly's previously published short stories come together in this collection. A fourth story is "Welcome to Paradise," which has never officially been published and which serves as the basis of Q. Kelly's novel "Third." THE OLD WOMAN: Jessica is a pretty good best friend, but she goes too far when she dares Rachel to ask an old woman on a date. Rachel has no choice; otherwise Jessica will do the asking, and Rachel has no intention of humiliating the old woman. Turns out maybe Jessica's idea was not so bad after all. There is a lot more to Ada than her age. CUPID PULLS A PRANK: Cupid pulls a prank to end all pranks. For the first time in American history, both the Republicans and the Democrats have female candidates running for president. The Republican is Alice Cowell, and the Democrat is Gillian Marshall. Cupid strikes them during a live, nationwide televised debate, and Alice's and Gillian's reactions shock even Cupid. THE NIGHT THEY DRANK WINE: Mallory and Vanessa are sisters-in-law and good friends. One night, they get together to gossip and drink wine. One thing leads to another, and the next morning finds them naked and in bed together. Will they ignore what happened or try to make some sense of it? WELCOME TO PARADISE: Helen Franklin is horrified when her dying father leaves her a most unusual inheritance: a woman. The woman, Anne, is a time traveler with a tragic past. Helen tells herself that Anne is not her problem, but the hopeful gaze in Anne's eyes haunts Helen. Do they have a future together? (This story serves as the basis of Q. Kelly's novel Third. Welcome to Paradise stands completely on its own, though.)
