**Von Cait London : A Stranger's Touch (Aisling Triplets)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Stranger's Touch (Aisling Triplets):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I couldn't stop readingVon BellaThis ist the third book of a trilogy. I recommend that you read the other books first, but

buy them all at once :-) You surely want to read on when you finish the first and the second. The three sisters are very different and try to solve a curse, everything starts in the first book. All sisters have special abilities, this is the book of Leona. She dreams of the future but doesn't want to accept her heritage and tries to live a normal life. The lovestory is very good, both are strong characters and have to compromise sometimes.

Kurzbeschreibung Tempest, Claire, and Leona: triplets blessed or cursed with a special extra sense they would each deny, given the chance . . . Tempest was born with the uncanny ability to learn everything about an object or even a person just by the touch of her naked hands. But she knows this gift comes at a price, so she protects herself by keeping those she loves at a distance, But when a sinister enemy threatens all that she holds dear, Tempest is forced to reach out to Marcus Greystone, who she once touched willingly . . . and with passionate abandon. Marcus has never forgotten the sensuous night he and Tempest shared before she left his bed without a word. Now that she needs his help, Marcus isn't letting her go easily. It's his chance to show Tempest that his touch can also electrify. But a gathering storm of violence is following Tempest, and a killer waits to get his hands on her . . .
