**Von H.P. Mallory : A Tale Of Two Goblins (Dulcie O'Neil Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Tale Of Two Goblins (Dulcie O'Neil Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. sehr witzig und unterhaltsamVon ElviraAuch Band 2 der Serie um Dulcie O'Neil ist witzig und flott geschrieben und ebenso wie Band 1 (To Kill A Warlock) leicht zu lesen. Man braucht keine perfekten Englischkenntnisse um bei den Erlebnissen von Dulcie mitzufiebern. Ich habe beide Bcher in einem Schwung durchgelesen und freue mich schon auf

die nächste Veröffentlichung dieser Serie. Als nächstes werde ich mich an der anderen Serie von H.P. Mallory "Jolie Wilkins" versuchen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Missed Sookie Stackhouse - found Dulcie O'Neil Von JuWie hier schon angemerkt: Wer 'True Blood' - die Geschichte und nicht den Film - mochte, wird auch diese Serie mögen. Die Heldin ist eine junge (natürlich sehr attraktive) 'Frau', die als Polizisten/Detective in einer auch von diversen 'supernaturals' bevölkerten Welt Abenteuer zu bestehen hat und natürlich kommen da auch immer ein paar - ebenfalls sehr attraktive - 'Männer' verquer. Es ist leichte Lektüre, mit humorigem Touch, sehr netten Einfällen, unblutig und nicht wirklich grausam. Der Plot ist nicht immer ganz logisch entwickelt, aber doch noch super-world-plausibel - und hat auch spannende Passagen. Es ist eine wunderbare Lektüre, um sich nach einem stressigen Tag in einer schönen Geschichte zu verlieren. brigens hat mir der folgende Band noch besser gefallen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Absoluter Fehlkauf Von Laughterqueen Hatte tatsächlich ein anderes, von vorgeschlagenes, Buch kaufen wollen! Der Schreibstil ist nichts für mich. Und wieder ist die Protagonistin netter... Das ist sehr ermüdend, bzw. unerträglich!!! Habe das Buch nicht weitergelesen. Leider lässt es sich nicht komplett vom iPad lesen...

Kurzbeschreibung New York Times and USA Today Bestselling Author, HP Mallory, brings you The Dulcie O'Neil Series with nearly one million copies sold and 31,000 reviews on and Goodreads! H.P. Mallory has a quick wit, a fresh voice, and a clever way with words. If you like Charlaine Harris, you'll love H.P. Mallory! ~ Larissa Ione, New York Times Bestselling Author If you like your books steamy (this is an Urban Fantasy Series for Adults) and you appreciate a butt-kicking, take no prisoners fairy heroine, read on! A TALE OF TWO GOBLINS is the second book in the Dulcie O'Neil Paranormal Mystery Series. The first book is TO KILL A WARLOCK A Dreamstalker a creature that stalks and kills its victims in sleep. A fairy in law enforcement determined to stop him. A potions smuggler who possesses something she wants. A vampire with his own agenda. And a partner who couldn't possibly be sexier or more frustrating. Dulcie O'Neil is a fairy working in law enforcement for the Netherworld. When Knight Vander approaches her with a case regarding comatose victims, she agrees to help him, imagining the most difficult part will be combatting her attraction to him. But, what Dulcie isn't betting on is the fact that the case becomes personal when she learns all the victims are somehow linked to her. When her best friend falls victim to the Dreamstalker, Dulcie must do everything in her power to ensure her friend's survival, including associating with criminals and accepting the fact that desperate times do definitely call for desperate measures. What are readers saying about A Tale of Two Goblins? What I love about this book is its flow, there's not one point where I stop and think "Oh, that could have been written better," or "the word 'and' should be before, not after that word." There's none of that sort of thing at all, and if there is, then I missed it because I was too busy turning the pages to find out what happened next! The characters: what's not to love about her characters, even the 'bad guys' you just gotta love the way HP puts her characters together, and some of them are just plain HOT! HP is definitely my all-time favorite author for Urban Paranormal Fantasy! --TheOneTree If you haven't read the first book, To Kill a Warlock, you are missing out on a spectacular beginning, but with that being said, book 2 of the Dulcie O'Neil Series is spectacular. Once again, we get a great dose of Dulcie's spunkiness and her determination. It has a perfect blend of intrigue, sleuthing, pathos, and love. I absolutely enjoyed the men of this book. The author did a great job of giving Quillan such depth. --CK ALSO BY HP MALLORY: THE JOLIE WILKINS SERIES: Fire Burn and Cauldron Bubble Toil and Trouble Be Witched (Novella) Witchful Thinking The Witch Is Back Something Witchy This Way Comes THE BRYN AND SINJIN SERIES: Spinoff to the Jolie Wilkins Series Sinjin The Scent Blood Lust (Novella) THE DULCIE ONEIL SERIES: To Kill A Warlock A Tale Of Two Goblins Great Expectations Wuthering Frights Malice In Wonderland For Whom The Spell Tolls Eleven Snipers Sniping (Short Story) A Midsummer Nights Scream Grave New World THE LILY HARPER SERIES: Better Off Dead The Underground City To Hell And Back Persephone The Bladesmith (Novella) THE PEYTON CLARK SERIES: Ghouls Rush In Once Haunted, Twice Shy Big Easy Murder (Novella) ICE WOLF (Co-authored with JR RAIN) If you enjoy reading HP's books, add yourself to her email list to keep on top of new releases, contests and other fun stuff!
