Von Lynn Kurland : A Tapestry of Spells (A Novel of the Nine Kingdoms) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Tapestry of Spells (A Novel of the Nine Kingdoms):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Nine Kingdoms, Book Four.Von Detra FitchSarah of Dore, daughter of the village witchwoman, spies a half page from a powerful spell book in her brother's room. When she reached toward it, the spell erupted from the page, wrapped itself around her wrist, and left its dark mark. Her brother, Daniel, has embraced the dark arts and vows to destroy the Nine

Kingdoms. Unable to stop him alone, Sarah seeks aid from a powerful mage rumored to live a reclusive life in the mountains. Ruithneadh "Ruith" (of a place he refuses to tell) was around the age of ten when his father opened a well of evil. The evil spewed from the well and came down to slaughter the entire family. Ruith somehow survived and found refuge in an abandoned cottage within the mountains. He took every last drop of the magic he possessed and buried it deep within himself, topped with powerful spells of concealment and un-noticing. Now grown, Ruith lets everyone believe as they will, but he has never uncorked and used his magic for anything or anyone. But when Sarah arrives at his door, desperate for help against one of his father's dark spells, Ruith finds himself thrust into the life of magic and peril. Though Daniel of Dore has little magic and only half of the Diminishing spell, should he not be stopped the entire Nine Kingdoms will suffer as never before. **** FOUR STARS! Be warned that this title has a cliff-hanger ending. As for the story, I found the characters to be well developed and their quest to be larger than life. It blends to make a tale that will be long remembered. With several spell pages scattered around the Nine Kingdoms, the author has lots of potential with future stories. If you have read the previous stories, you may notice one section where our current characters enter a place shortly after previous characters have left. I will say nothing more about it, but I thought it to be a very nice touch indeed. Brava! ****Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung The compelling start of a new fantasy romance trilogy set in the world of the Nine Kingdoms, from New York Times bestselling author Lynn Kurland Return to the world of the Nine Kingdoms with New York Times bestselling author Lynn Kurland as a new evil, and a new passion, emerges. Sarah's brother has embraced the dark arts, vowing to destroy the Nine Kingdoms, and she doesn't have the power to stop him. Now she must risk everything to thwart his plans, even though she fears the quest will reveal the secret she's kept all her life. After seeing his entire family slain by magic, Ruithneadh swore never to use his power again. But when Sarah pleads for his help, he's thrust back into a life of enchantments and peril, and a quest capable of unraveling the entire fabric of the Nine Kingdoms.
