Von Beaches Diese Sammlung mehrerer Sookie Stackhouse Kurzgeschichten ist wirklich ein kleines Goldstück. so werden einige Informationen geliefert, die man nicht durch die

Bcher erhlt bzw. nur kurz angedeutet bekommt. Fairy Dust Diese Kurzgeschichte dreht sich um die Feen Claudine und Claude und setzt nach Teil 4 "Dead to the World" ein. Dracula Night Hier wird Sookie zu einer Feier im Fangtasia eingeladen. Ja, vielleicht ahnt man es schon aber das oben genannte Happy Meal soll mal wieder Sookie sein. Mehr wird aber nicht verraten. Ebenfalls eine Geschichte die nach Teil 4 "Dead to the World" einzuordnen ist. One Word Answer Hier erfahren wir mehr Details zum Tod von Sookies Cousine Hadley. In dieser Geschichte trifft Sookie auch erstmals auf die Queen von Louisiana. Diese Geschichte sollte unbedingt vor Teil 6 "Definitely Dead" gelesen werden. Lucky Die Hexe Amelia und Sookie ermitteln im Auftrag des Versicherungsagenten Greg Aubert, Amelias zukünftigen Arbeitgeber. Zeitlich liegt die Geschichte zwischen dem 7. und 8. Teil der Serie. Gift Wrap Eine kleine Weihnachtsgeschichte mit Niall. Wer allerdings noch nicht so weit ist, um zu wissen, wer Niall ist, sollte sich die Geschichte bis nach Lesen des 8. Teils "From Dead to Worse" aufsparen. Folgend die Reihenfolge der Bcher inkl. der Kurzgeschichten aus diesem Band: 1. Dead Until Dark - Vorbergehend tot 2. Living Dead in Dallas - Untot in Dallas 3. Club Dead - Club Dead 4. Dead to the World - Der Vampir, der mich liebte *** Fairy Dust ***** Dracula Night *** 5. Dead as a Doornail - Vampire bevorzugt *** One Word Answer *** 6. Definitely Dead - Ball der Vampire 7. All Together Dead - Vampire schlafen fest *** Lucky *** 8. From Dead to Worse - Ein Vampir fr alle Fille *** Gift Wrap *** 9. Dead and gone - Vampirgefster 10. Von Detra Fitch Fairy Dust (from Powers of Detection) One of the fairy triplets is killed. Claude and Claudine ask for Sookie's help. Sookie goes to their domicile, where three suspects are being held. Sookie needs to interrogate each, delve into their minds for the truth, and figure out which is guilty of the crime. Dracula Night (from Many Bloody Returns) Eric Northman invites Sookie to his club, Fangtasia, to celebrate Dracula's birthday. Each year Eric has high hopes that Dracula will appear at his party. This time someone steps forward claiming to be the Prince of Darkness, but is he really? One Word Answer (from Bite) Sookie and Bubba are raking leaves at midnight when a limo pulls up. A half-demon lawyer, Mr. Cataliades, and his driver, Waldo, exit the vehicle to inform Sookie of her cousin Hadley's death. Lucky (from Unusual Suspects) Greg Aubert, Sookie's insurance agent, asks for her help to figure out who has been breaking into his office at night. Sookie's friend, Amelia, assists in solving the mystery. Turns out that more than one thing is happening after hours. Gift Wrap (from Wolfsbane Mistletoe) On Christmas Eve, Sookie is alone and feeling more than a bit depressed when she stumbles upon a wounded werewolf. Sookie hides the injured Were from those hunting him. In return, the werewolf give her a gift she will never forget. *** THREE STARS TOTAL! Each of these Sookie Stackhouse stories has been published before in various anthologies. Beside each story title, I name the anthology it appeared in. An Introduction by Charlaine Harris explains the stories, their origins, and sequence of events. I feel that each tale is worthy of your time to read; however, due to being short stories they are not as well developed as the actual full-length dramas. *** Reviewed by Detra Fitch of Huntress Reviews. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Leckerer Happen fr Fans Von Janni Fr alle die von Sookie Stackhouse (und Co.) einfach nicht genug bekommen. Das Buch enthlt eine Sammlung von mehreren Kurzgeschichten ber die sich jeder freuen wird, der des Englischen mchtig ist. -Die erste Kurzgeschichte (Fairy Dust) erzht wie Claude und Claudine zusammen mit Sookie nach Claudettes Mrder suchen. -Die zweite Kurzgeschichte (Dracula Night) handelt von (wer htte das gedacht!) Draculas Geburtstagsfeier die Eric jedes Jahr seinem Idol zu ehern gibt und zu den er (natrlich!) Sookie eingeladen hat. -Die dritte Kurzgeschichte (One Word Answer) beschreibt Sookies erste Begegnung mit dem Halbdemon und Anwalt Mr. Cataliades, der sie ber Cousine Hadleys Tod (infolge eines "unglcklichen Unfalls") informiert. -Die vierte Kurzgeschichte (Lucky) spielt in Bon Temps wo Sookie und Amelia versuchen herauszufinden, wer die rtlichen Versicherungsagenten versucht zu sabotieren. -Die fnfte und letzte Kurzgeschichte (Gift Wrap) beschreibt Sookies Weihnachten, an dem sie einen berraschenden Besuch bekommt. Die Geschichten sind alle sehr originell geschrieben, wie es fr Charlaine Harris auch nicht anders zu erwarten war. Ich empfehle dieses Buch also jeder, der ein treuer Sookie-Leser oder True Blood-Fan ist!

Kurzbeschreibung Sookie Stackhouse enjoys her job as a cocktail waitress in Merlotte's, a small-town bar in small-town Bon Temps, deep in Louisiana. She's funny and pretty and, thanks to her grandmother, she's very well-mannered - but since not many people truly appreciate her ability to read their minds, the guys haven't exactly been beating down her door ... And then along came Bill, tall, dark and handsome - and Sookie couldn't 'hear' a word he was thinking. He was exactly the type of guy she'd been waiting all her life for. Of course, Bill had a disability of his own: fussy about his food, not into suntans, bit of a night person: yep, Bill was a vampire. But at least now Sookie knows there *are* guys she can date who won't worry about her catching them thinking about other women ... And that's going to make Sookie's life really interesting! Pressestimmen "The most interesting character is Sookie, which is lucky as she's the main one, the fact that she can read minds and how she does it is brilliantly illustrated in the opening 'Fairy

Dust' and 'Lucky'. A brilliant example of how an author should do a short story collection." NEXTREAD.CO.UK "The tales are appealingly fast-paced, lighthearted and sexy (though there's nowhere near the level of sex and violence of the TV series), and the Sookie of these stories is, in her own straightforward way, just as winning as the Sookie of True Blood." -- James Skipp TOTAL SCI FI I really enjoyed that Harris told each story 'how it was'. Sookie may have her issues but the emphasis is always on the plot at hand and what's going on. It's also refreshing to see how Harris treats her otherworldly characters; while they're powerful enough they're also susceptible to human failings (and I'm not just talking about sex!) that make them more endearing to the reader and easier to get into."
