Alaska is a bit far fetched. But hey, anything for love, right? Otherwise it was a good book. The characters met when Quinn Scofield along with other bachelors from Bear Creek think about advertising for wives in the city. Kay Freemont is the reporter assigned to cover the story and it involves her visiting Bear Creek. There Quinn helps her with her repressed sexual issues. There are some hot scenes in this book!

KurzbeschreibungManhattan reporter Kay Freemont spends her days writing about sexand her nights wondering what all the hype is about. So when sexy, single Quinn Scofield places an advertisement in her magazine for a wife, Kay decides it's way past time she found out! Although Kay knows she's too repressed to live out her most forbidden fantasies, under Quinn's imaginative tutelage she becomes more in tune with her own sensuality. This city girl thinks she has time for only a red-hot flingunless Quinn has his way, and she accepts his offer of a lifetime of incredible sex!KurzbeschreibungManhattan reporter Kay Freemont spends her days writing about sexand her nights wondering what all the hype is about.
