**Von Kim McKade : A True-Blue Texas Twosome (March Madness)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A True-Blue Texas Twosome (March Madness):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A charming romance.Von Sharon Galligar ChanceKim McKade always knew that someday she would be a published romance author. After all, she had married a man who would put any romance hero to shame. Finally, through sheer persistence and good ol' Texas determination, her dreams have come true as her debut novel, "A True-Blue Texas Twosome," hits bookstands everywhere this month as a part of Silhouette's March Madness Debut Author's series. McKade's novel, "A True-Blue Texas Twosome," is a heart-rendering romance set against the delightful setting of small-town life. After being shot by a zealous fan, TV news reporter Corrine Maxwell has returned to her hometown of Aloma, Texas, to recover from her wounds. She just wants to lead a quiet life while she regains her bearings.

Thinking it will be a no-brainer job, she accepts a position as a substitute English teacher at her old high school. Corrine didn't plan on getting involved in her students' lives, no more than she planned on getting re-involved with her old sweetheart, Toby Haskell. Everyone expected Toby Haskell to pick up where he left off with Corrine, but ten years had passed and they were both changed people. He was now sheriff of their small hometown, and she had been a famous big-shot reporter. But the minute he laid eyes on her, Toby knew he still had it bad for Corrine. Now, he just had to convince her that she still belonged in Almoa; that she still belonged to him. Kim McKade weaves an intriguing thread of mystery through the romantic tapestry of "A True-Blue Texas Twosome." Having grown up in the small West Texas community of Roby, she also captures perfectly the wonderful warmth, simplicity and sense of community that comes from living in a small town. (I loved her noisy little old ladies who kept the gossip grapevine hot. They reminded me of my grandmother peering through her lace curtains to see what the neighbors were up to.) Obviously inspired by her own "true-blue" hero, McKade dedicates her first book: "for Darryl, for showing me what a hero should be." With this fine start in the world of big-league romance, and currently at work on her next novel, Kim McKade will be an author to keep your eye on.

KurzbeschreibungMARCH MADNESS DEBUT AUTHORIT TAKES TWO TO TANGLE.And sexy sheriff Toby Haskell wasn't ready to lose himself in Corinne Maxwell's loving arms again. Just because she'd come back to Aloma, Texas, that didn't mean she had come back to him.Ten long years ago, Corinne had been his high school sweetheart, but she'd left him and their tiny Texas town in the dust. Why had she returned? Why now? His nerves were doing the two-step every time she passed his way, but the steely-eyed lawman vowed to remain strong. If he'd been granted a second chance to rope in his lady love, he was going to play it smart. This time, he was playing for keeps.KurzbeschreibungMARCH MADNESS DEBUT AUTHORIT TAKES TWO TO TANGLE.And sexy sheriff Toby Haskell wasn't ready to lose himself in Corinne Maxwell's loving arms again.
