Wer 0815 Glitzervampire sucht, der findet hier nur glitzernde Messer. Und diese benutzt Flynn so gerne. Mit seinem guten Aussehen und seinem Charme bezirzt und verfhrt er junge Frauen und Paare um sie dann zu tten.Grausam, aber endlich mal wieder ein echter Vampir.(Nichts fr Leute mit schwache Nerven oder welche die romantische, gefhlvolle Vampire suchen, Flynn

hat keine Gefhle)

Kurzbeschreibungan erotic tale of darker desiresThe vampire, Flynn, is well acquainted with the taste of fear in his victim's blood. But during an evening of indulgence, his immortal sister, Rose, suggests that lust can be just as exotic a flavor as terror.Flynn is eager to compare, and with his devilishly good looks and bold charm, mortal women won't know until it's too late none of his boasts are an act. ---This short-story contains adult content, and a graphic depiction of a vampire who has no intention of allowing his victim to live.Approx 7,000 words in lengthKurzbeschreibungan erotic tale of darker desiresThe vampire, Flynn, is well acquainted with the taste of fear in his victim's blood.
