Macias Reviewed by : Stephanie Jordan This was my first book from P.T. Macias, it started off slow to me but once she got everyone introduced with backgrounds it started to move. Plots were laid out all the while revolving around a love story. Prince Victor is a Vhampire and nephew to the Emperor he is also the masked assassin Demise in the Vhampire's Realm. With a job to do Viktor teleports to his apartment on Earth then goes to Hell's Night Club first, he doesn't know why but he's must go there to see her. It's forbidden but has too. Cynthia McKenzie is a wolf and all she wants to do is have fun, she sees no reason to go to college now maybe later but not now. Partying with her friends and being a pain to her twin and other brothers is her goal in life right now. While dancing at Hell's Night Club she smiles across the floor at this phenomenal well built handsome man. She feels the pull that's saying she must go to him. But Vhampire's and Wolves are Forbidden!! I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung A spoiled, sexy and wild young wolf loves the chase. She loves to stir it up and watch the fireworks. She comes to a complete stop when she meets a vhpampier that rocks her world. The mature Vhampier, the royal assassin falls under her spell. He goes against the supernatural council, family, and royal decree. The unexpected threat to their lives bring them together exposing their love. The mature Vhampier, the royal assassin, falls under her spell. Cyn, tell me about you. What do you do? What are your dreams? Cynthia winks, and slowly chews her steak. When shes done, she grins at him, and leans in close to him. My dream is to fuck you silly. He grins at her and leans in close to her ear. He whispers and nibbles her ear. Yeah, thats my dream too. What other dreams do you have? Hell, shes driving me insane. Shes full of life, sexy as hell, and has taken my soul. I dream of meeting my mate someday and having my cubs. I dont want to go to school because I dont know what I would like to do. I mean, I see it like this. Im young, I have a lot of years to live. Why cant I have fun, and enjoy my life until I meet my mate? I can always have a career later, maybe after my cubs are grown. Viktor narrows his eyes to hide his anger. Fuck no! Her mate? What the fuck! Why am I dying with the thought of her mating? Im not her mate or a wolf. I cant offer her cubs. I can fuck her silly but would that be enough? Will I be satisfied? Viktor? Did I make you mad? I hope not because my family is already mad at me. They feel that Im too wild and spoiled because I dont want to go to school. Viktor closes his eyes to hide his fear and anger. What the fuck should I say? He opens his beautiful green eyes, the gold specks sparkle. Im not mad. I hope not because I want you. I want to enjoy our time as long as it is. Viktor smiles at her and raises her hand up to his lips. He kisses her hand and slowly turns it over to inhale her spicy rose blood. He places his lips at the veins, enjoying the rapid fiery flow of her blood. Cynthia watches him. She shudders with wild hot hunger, and leans closer. She whispers into his ear. Viktor, I dont see why we should fight this wild hunger. We wouldnt hurt anyone. She licks her lower lip, watching his lips place a hot kiss on the veins on her wrist. She trembles as a burning shiver races through her body. Her breasts swell and her nipples get harder. Fucking hell, his lips feel so hot. I can feel his soul, and his vanilla spicy scent bleed into every pore in my body. Im on fire and aching. What the hell! Im not supposed to feel like this for a vhpampier. Im positive that these are feelings that Im supposed to feel for my mate. He looks at her breasts and nipples. He groans and looks up into her glowing blue eyes. What the fuck, she has me totally under her spell, my body is in sync with hers, and Im going to explode. I can feel her wild hunger, her soul is burning into mine, and I can feel her wolf. No, we wouldnt, but because youre young I would like to know that youre aware of the chaos that our relationship would cause. Kurzbeschreibung A spoiled, sexy and wild young wolf loves the chase.
