Von C.H. Admirand : A Wedding in Apple Grove (Apple Grove Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Wedding in Apple Grove (Apple Grove Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Honey B and a sheriff.Von Detra FitchThe town of Apple Grove, Ohio, is unlike any other. Everyone is friendly but nosy; small in population but big in heart. When the locals need any handiwork done, they know that there is no job too small for the Mulcahy sisters: Megan, Caitlin, and Grace. Meg is the oldest sister. The petite redhead works hard in the family-run business. All day long she makes her scheduled rounds to fix whatever needs fixing in the homes of Apple Grove. Since this is a small town, everyone knows everything about everyone, and not all customers pay in cash. A few bake the most mouthwatering deserts that the entire Mulcahy family is more than happy to receive them in lieu of cash.Daniel "Dan" Eagan is determined to put his ex-fianc and his ex-buddy firmly in the past. Dan is looking to make a new start in Apple Grove. The only person Dan knows in the town is Aunt Trudi and according to her, Dan will fall in love with the place. Dan has only just crossed into the county when he spies a lady walking on a fence as if it were a balance beam. Dashing from his car to the fence, Dan reaches the redhead in time to catch her as she falls. The instant their eyes meet, neither can deny the attraction that springs up between them. Meg no longer believes in romance and Dan fears another rejection, but their hearts refuse to be denied. And when Meg's past collides with her future, it may take all the residents of Apple Grove to keep their romance from short-circuiting.*** THREE STARS! I must admit that there are some very interesting characters that live in the town of Apple Grove. It is the type of place that resembles Mayberry (from the Andy Griffith Show). Everyone seems to know about everyone else's families and gossip spreads faster than a virus among kids in school. This story starts out pretty slowly and many character names are thrown at the reader early on, but you will not have to worry about trying to remember them all. To help readers out, the author has listed the cast of characters in the front of the book for quick reference.Though the relationship between Meg and Dan is the primary focus, there are one or two others happening simultaneously. Watching Honey B. make a certain sheriff crazy with her internet dating is just as fun as wondering what color the little beautician will dye her hair each week. For me, there are times that Honey B.'s love life was even more interesting than Meg's! By the story's end, I was grinning from ear-to-ear and wondering who finished up Mrs. Doyle's perm - if anyone.I am eager to return to the people of Apple Grove. I have come to care for several and I find it awful to leave them, even if it is only for a short while. Admirand needs to write faster! ***Reviewed by Detra Fitch of Huntress Reviews.

KurzbeschreibungWelcome to Apple Grove, Ohio (population 597), where everyone has your best interests at heart, even if they can't agree on the best way to meddle. When the townsfolk of Apple Grove need handiwork done, there's no job too small for the Mulcahy sisters: Megan, Caitlin, and Grace.He's not so sure about small town life. She can't imagine living anywhere else.Specializing in hard work and family loyalty, tomboy Meg Mulcahy has left behind any girlhood dreams of romance. Enter newcomer Daniel Eagan, looking to bury his own broken heart and make a new start. He's surprised-and delighted-by the winsome girl with the mighty tool belt who shows up to fix his wiring. But Dan's got a lot to learn about life in a small town, and when Meg's past collides with her future, it may take all 595 other residents of Apple Grove to keep this romance from short-circuiting.
