Autorin. Die Elternlose Taryn Matthews wurde seit ihrer Geburt von Kinderheimen zu wechselnden, lieblosen Pflegeeltern hin und her verschoben, die einzige Konstante in ihrem Leben war das dunkle, kriminelle Brüderpaar Jace und Brian Lanser. Überraschenderweise wird sie in eine begüterte Familie mit Teenagern adoptiert, -ihre Chance auf ein gutes Leben mit Zukunft. Allerdings auf Kosten ihrer nahen Beziehung mit den Lanser-Brüdern. Was eine ziemliche Herausforderung darstellt in einer sie ablehnenden Umgebung. Die Geschichte ist gut, äußerst dramatisch und gut geschrieben, die Charaktere sind einfühlsam beschrieben und überzeugend. Sehr empfehlenswert 0 von 1 Kunden fanden die folgende Rezension hilfreich. a keeper Von Birgit Wahl That Book is a keeper. I loved the story too. It's a typical Tijan Story with lots of Bad guys and Twists so try it 0 von 3 Kunden fanden die folgende Rezension hilfreich. I waited and waited for this Von Kindle Customer I love Tijan's books and this one was as good as her others, strong female characters and powerful males. I really enjoyed it.

Kurzbeschreibung He told me to go away. I did. I followed his instructions. I left with the new family. They were from the right side of the tracks and I tried to become one of them. I really did, but I failed. When someone died, someone that I loved, I couldn't keep pretending everything was fine. It wasn't. This privileged world he gave me wasn't privileged. There were problems. He just never told me that he created them, that he had sent me into a world he set up for me. It was all a lie, but it was a lie that I was going to expose. Or I would die trying. **This is a standalone. Pressestimmen Tijan writes with such heart and clarity.
