BOUNTY HUNTER GETS THE WRONG GUYVon Ein KundeA bit unrealistic that once Dean tells Joelle that she's got the wrong guy, Dean then accompanies her all the way back to San Francisco. He's too busy with work to really enjoy life and she has issues left over from her stint as a policewoman when her partner died. Typical Blaze, there are a few good scenes but we do get sick of women with issues and the every patient man who "makes allowances" for them. they do end up in the end and it is a good enough read even though she "sees the light" and salvages their

relationship at the end.

Kurzbeschreibung Midnight Fantasy #5: Having him just where you want him...Bounty hunter Joelle Summers is very good at her job. But she's definitely in over her head when she mistakenly picks up sexy businessman Dean Colter. Because unlike her usual prisoners, Dean makes it clear that he's ready to accommodate Joelle's every sensual fantasy. Dean claims he's not guilty--but Joelle quickly realizes he's not so innocent, either....After years of working himself to death, Dean Colter wants an adventure. But being kidnapped by a gorgeous bounty hunter--one who's into bondage, to boot--isn't exactly what he had in mind. Still, being a willing captive has its advantages. Jo might be the one with the cuffs, but Dean's just discovered the key to unleashing the passionate, uninhibited woman behind the badge.

ber den Autor und weitere Mitwirkende Janelle Denison never intended to become a writer, but her love of books and romance led to writing the kind of heart-warming stories she's enjoyed from Harlequin over the years. She lives in Southern California with her engineer husband, whose support and encouragement has enabled her to follow her dream of writing, and two young daughters, who keep life interesting and give her plenty of ideas for the young characters she includes in her books. Along with writing warm, traditional Romances for Harlequin, Janelle also writes modern, ultra-sexy stories for Temptation's Blaze series. Though she enjoys the diversity of writing for these two different lines, she strives to make all her books emotionally satisfying reads. Janelle enjoys hearing from readers.
