Von Charlotte Elkins, Aaron Elkins : A Wicked Slice (Lee Ofsted Mysteries Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Wicked Slice (Lee Ofsted Mysteries Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A WICKED SLICE has a nifty twist!Von Ein KundeLee Ofsted is just beginning to make a name for herself in the

competitive world of professional women's golf, and this tournament may well be the one that will be her springboard to stardom--or so she hopes. But the sudden, bloody death of the top-ranking player coupled with the equally sudden appearance of a screamer of a slice in Lee's usually impeccable swing kills all her hopes. Who wanted to kill the star? And what is causing Lee's incredible run of bad luck? A WICKED SLICE takes the thread of these questions through a maze of fascinating minor characters as Lee tracks the mystery to its surprising ending. I am not a golfer, but I found the sport, with its professional players as well as the well-heeled amateurs to be a vivid, fascinating background to the story. Lee Ofsted's character is engaging, intriguing and believable. Charlotte and Aaron Elkins have created a cast of interesting characters and a plot with some truly nifty turns. I recommend the book very highly. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fuer Golfspieler recht unterhaltend Von DMP327 Der Krimi ist kurzweilig, mit einigen berraschenden Wendungen. Als Golfspielerin musste ich bei vielen Passagen schmunzeln. Etwas fuer golffreie Winternachmittage mit einer Tasse Tee. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Der Ideale Krimi fr Golffans Von Marie-Therese Es ist das erste Buch einer Krimiserie in der Welt der Golfspieler. Es ist ein interessantes Buch, spannend und humorvoll.

Kurzbeschreibung Newly revised to resolve formatting and typographical problems. Aaron Elkins, the author of the Edgar-winning Old Bones, teamed up with his wife, Charlotte, to fashion this lighthearted mystery--a fictional look at the less glamorous side of a golf tour. In this first Lee Ofsted mystery, Lee is a "rabbit" golfer in the Pacific-Western Women's Pro-Am. She made it into the tournament by the skin of her teeth and suddenly she can't keep her long drives from slicing--veering sharply to the right. She is hitting the ball perfectly and it simply isn't going where it is supposed to. And if Lee can't get rid of this slice quickly, all the scraping and saving to enter the tournament and stay in it, all the Big Macs and cheap motels, will be for nothing. Then Lee discovers the body of the tour's star at the bottom of the course lake, and her own problems with golf techniques pale in comparison. Enter Lieutenant Graham Sheldon. He's charming, handsome, and determined to capture the killer--as well as Lee's heart. But the murder has triggered buried anger and petty jealousies among the players. Lee finds out just what wicked means are causing her drives to slice. And it looks like the murderer has barely begun to score....
