Von Andrew Grey : A Wild Ride (The Bullriders Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Wild Ride (The Bullriders Book 1) (English Edition):

I loved watching Ryan and Dante meet and build a life together.Ryan is a take charge guy and Dante has a lot of responsibility and is always in control in every aspect of his life. When the two meet and spend a night together it leaves both of them wanting more but scared to ask

for it. A coincidence gives them a chance to reconnect and start a relationship that has to overcome many problems. The book has a very light D/s element that's about control and trust rather than BDSM but makes the sex scenes scorching hot. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wundervolle Geschichte Von Wolfram Kaiser Bei diesen Roman hat Andrew Grey mal wieder bewiesen warum er einer der besten M/M Geschichten Schreiber ist die es momentan gibt. Die Story ist gut und glaubhaft aufgebaut. Die Charaktere erfreulich nachvollziehbar. Am besten hat mir der Grovater gefallen, der ob seines nahen Ende bewusst, sehr scharf sieht was wichtig im Leben ist und was nicht. Und der sich auch nicht mehr scheut dies auszusprechen. Insgesamt eine volle Leseempfehlung.

Kurzbeschreibung The Bullriders: Book One Dante Rivers just lost the rodeo by two one hundredths of a point: hes frustrated as hell, needs to get laid, and he knows just where to go. That night he meets Ryan Abbott and catches his eye Ryan watched the rodeo and is still riding high on the rush. The chemistry between them ignites, but Dante, unable to deal with complications, leaves while Ryans asleep. Ryan figures hell never see Dante again, but theyre fatefully reunited when Dantes grandfather, Hy, hires Ryan to help straighten out some old investments. The attraction between Ryan and Dante still sizzles. Sex slowly turns to more, but obstacles abound: Hys failing health, Dantes homophobic sponsor, an attack on Ryan, and Dantes own struggle with his identity. Any one thing would be enough to separate them permanently unless they both decide to hang on for the wild ride.
