Immer, wenn ich mir das Buch nachkaufe (jetzt zum 6. Mal), lese ich wieder einige der Stories. Sie zhlen fr mich zum Allerbesten, was Murakami je verffentlicht hat. Sehr zu empfehlen.0 von 0 Kunden fanden die folgende Rezension hilfreich.

wundervolle endlose Geschichten Von Chorknabe Diese Art der unvollendeten Geschichten schreib niemand so wie Murakami. Vielfach mischen sich poetische, heitere und erotische Noten und lassen den Leser - wie nach eine musikalischem Meisterwerk - verndert und bewegt zurck. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Elephant Vanishes Von Lotte-Lale The book arrivied promptly and in perfect condition. Haruki Murakami is marvelous. I am very happy to have received this book. Thank you.

Kurzbeschreibung The man was leading an aimless life, time passing, one big blank. His girlfriend has perfectly formed ears, ears with the power to bewitch, marvels of creation. The man receives a letter from a friend, enclosing a seemingly innocent photograph of sheep, and a request: place the photograph somewhere it will be seen. Then, one September afternoon, the phone rings, and the adventure begins. Welcome to the wild sheep chase. de As with many of Haruki Murakami's novels, the plot curdles with complex diversity only to be resolved by a collision between wild fantasy and outright slapstick. A Wild Sheep Chase refers aptly to the tradition of cool but kitsch detective sagas. Except here, the metaphoric goose is now a literal sheep with a distinctive marking; an urban myth with the promise of immortality. The anonymous narrator is a mild-mannered thirtysomething with a more than understanding attitude-- things happen because they are supposed to and there's no sense standing in the way of progress or nature. It takes the disappearance of a friend and some gentle intimidation from a right wing conglomerate to break the pattern of apathy and send him off on his adventure. Murakami's detail of the most mundane situations makes his lead character endearing. Those who've read Murakami before will recognise that certain empathy for the strange thoughts and rituals that are now hallmarks of his wry humour. Although an unlikely hero, the quest for a missing friend and the support of a lover with mysterious ears takes him off in search of the elusive sheep in a bizarre adventure-- danger and absurdity hindering every movement. --David Trueman.co.uk As with many of Haruki Murakami's novels, the plot curdles with complex diversity only to be resolved by a collision between wild fantasy and outright slapstick.
