Von Cynthia Sterling : A Willing Spirit: A Ghostly Romance (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Willing Spirit: A Ghostly Romance (English Edition):

Kurzbeschreibung A young widow haunted by the past Tessa Bright risks more than her reputation when she hires handsome drifter Micah Fox to help out on her ranch. The half-breed cowboy draws attention not only from the townspeople, but from Tessa's late husband, Will, who insists on remaining on the ranch as a ghost, trying to care for Tessa from beyond. Will doesn't approve of Micah and tries to arrange a different match for Tessa, but fate and Tessa and Micah's lonely hearts have another match in mind. First published in 1999, *A Willing Spirit* won the Texas Gold Award for Best Historical Romance in 2000.

Autorenkommentar Two lovers caught up in a changing world *A Willing Spirit* is my first paranormal romance, but it won't be my last. The character of Will, the ghost, really 'came alive' for me while writing the book. I loved writing about a group of characters who are caught up in a world that is changing fast for all of them. Micah, the hero, is torn between the white world and the Indian world. Tessa, the heroine, is torn between wanting to be independent and her love for both Micah and Will. All the characters in the book have to make some tough choices, but ones I think will be satisfying for readers. I hope you enjoy reading the book as much as I did writing it.
