Kurzbeschreibung When Michelle pulls an old book out of a fire, she finds answers and heartbreak. The book confirms that a demon walks the land, though according to legend they were all dead. Now, she needs to rediscover the secrets to killing demons before her loved ones fall victim. Elron's budding relationship with Michelle suffers a blow when his mate returns. While he struggles with love and guilt, it becomes clear that not everyone gets their happily-ever-after. This is the third book in a series, following *Witch for Hire* and *A Witch's Path*. Your reading experience will be greatly enhanced if you've read the previous books.

ber den Autor und weitere Mitwirkende N.E. Conneely lives in northern Georgia with her dog and a mountain of books. They sweat through the summer and freeze through the winter, and life as they know it comes to an end when so much as a single snowflake falls out of the sky. For fun, N.E. plays with her dog, reads, knits, crochets, paints, and does tie-dyeing and origami. She makes a great pizza and is currently negotiating with her husband about sea monkeys and growing a vegetable garden.
