mediocre read  
Von Turtlegirl  
What can I say about this book/story? First of all, the premise of a wizard combined with a Christmas story suckered me in. Combine that with a price of under a Euro, and you know why I bought this. I don't often read pure romance stories, so I'm not sure how to review this. I guess I'll just apply the same criteria I would use to evaluate any other story.

1. The pacing is rather fast. The characters barely know each other and yet feel this "attraction". Of course the story is short, but it all felt a little too sudden to me.
2. The protagonists are... meh. Holly is naive and whiny. I get that Christmas without a family must be tough, but I think she's overdoing it a little. And Hadrian is the typical "protector" kind of good guy who mysteriously falls for the sweet and conveniently also pretty girl he has to look out for. Can we please stop the "weak girl, strong guy" plots already? Plus, his thoughts were... a little ridiculous. Granted, I've never been in a guy's brain, but I can't imagine one thinking like that.
3. This story could use some editing. Several words were missing, and Holly was misspelled as "Molly" at least once.

This story wasn't horrible, it was okay, I guess, I just didn't like it that much. The idea was nice enough, but the execution is lacking.

A wonderful and new story  
Von Customer  
Holly is the protagonist of this book and she is a very amiable girl. She is an orphan and she dreams about a family of her own, although she is grown up and living all by herself. She even tells her friends that she will have a nice Christmas with her family - which forces her to spend Christmas outside her apartment! She meets Hadrian, who is a wizard and helps the police with cases where they cannot find the criminal. The two of them have a huge problem: a soul-eater is killing people and they have to stop him. Holly does not know anything about witchcraft and still she must help. I liked the book because Holly was so sweet and at the same time funny.

Kurzbeschreibung  
Praise for A Wizard for Christmas: "...fills the reader with all the good feelings the holidays are supposed to engender!" ~ Vicki Wilkerson  
"Danger, romance and a lovely happy ending combine to make this a wonderful read at Christmastime or any time." ~ Helen  
Overview of A Wizard for Christmas: A lonely schoolteacher desperately wants a perfect Christmas. But mystical forces are threatening more than her holidays...her life is in danger. The only one who seems to know what's going on is a handsome wizard who makes her want to add "romance" to this year's Christmas wish list.  
More Praise for A Wizard for Christmas: "...a beautifully written story that'll warm your heart, keep you on the edge of your seat, and continually flipping 'pages.'" ~ Rashelle  
Workman  
Other Works: \*\*Catch all the hunks of the Protectors series with Neptune's Lair and Mystical Seduction! \*\*If you like to be on the edge of your seat when you read, get your hands on the bestselling romantic suspense, THE HUNTRESS, today! \*\*If you're in the mood for a gripping suspense with your spicy Regency Romance, grab a copy of Dorothy's The Nude: A Historical Romance. \*\*If you enjoy a sexy Regency romp, Dorothy's Lady Iona's Rebellion. \*\*If you want a sweet historical romance, Dorothy's award-winning Traditional Regency, The Marriage List, will be sure to please. \*\*If you're looking for a fun cozy mystery series, search for Flowerbed of State, The Scarlet Pepper, and Oak and Dagger under her pen name Dorothy St. James.
