Von Ann Granger : A Word After Dying: (Mitchell Markby 10) (A Mitchell Markby Village Whodunnit)
before purchasing it in order to gage whether or not it would be worth my time, and all praised A Word After Dying:

(Mitchell Markby 10) (A Mitchell Markby Village Whodunnit):

Kurzbeschreibung Superintendent Alan Markby and Meredith Mitchell are in desperate need of a holiday - and the Cotswold village of Parsloe St John seems the perfect choice. Their neighbour, retired journalist Wynne Carter, is as convivial as the village itself and, over a glass of blackberry wine, indulges in her latest obsession, Olivia Smeaton, a racy old lady whose life - and death - she is convinced are not all they seem. Markby is more interested in buying Olivia's house than the circumstances of her vacating it, but Meredith is intrigued: by the old lady, the death of a cherished horse and a dusty junk shop run by a white witch. When another fatality - of a very grisly nature - is discovered, it seems her suspicion is justified. Clearly Olivia isn't the only enigma in Parsloe St John - and her death might be the first of many unless Meredith Mitchell and Alan Markby can make sense of some very secret lives to reach the truth ...

Pressestimmen "The village mystery observes more stringent procedures than a military task force. . .Ann Granger knows the drill so well she could write a manual."-- "The New York Times Book "Granger's latest offers abundant, understated pleasure."-- "Publishers Weekly
