Schottische LiebschaftenVon Renate H.Ewan will nach einem Angriff, der ihn beinahe das Leben kostet, ein Kind, um die Erbfolge zu sichern. Als Mutter whlt er Cait, eine Bedienstete im Schloss des Laird. Nicht wissend, das Cait seit Jahren in ihn verliebt ist. Er bietet aber keine Ehe, sondern ein Handfasting - fr 1 Jahr und 1 Tag. Wird das gengen?Die Geschichte ist gut geschrieben und spannend. Die Handlung halbwegs glaubhaft, der Sex nicht zu detailliert beschrieben. Die Charaktere sind so beschrieben, dass man die Hintergrnde der Handlungen versteht. Das Buch bietet einen Einblick in die schottische Geschichte und den Alltag des Clanlebens. Gegen Ende wirkt alles etwas

berstzt, auch das Happy End.ABER: das Buch strotzt nur so von Rechtschreibfehlern, Zeitenfehlern und falscher Verwendung von Pronomen. Das hat den Lesefluss gestrt.Wenn die Autorin ihr Werk nochmals bearbeiten wrde, knnte es ein 4Sterne Buch werden.0 von 1 Kunden fanden die folgende Rezension hilfreich. spannendVon lailaDie Sotry liest sich sehr flssig und spannend. Wenn man anfngt zu lesen ist es schwer wieder aufzuhren, weil man wissen will, wie es endet. Obwohl man ein, zwei Situationen vorhersehen kann.Bei dem Charakter Cait kann man sehr gut nachvollziehen, wie sie fhlt, denkt und die Ereignisse erlebt. Bei Ewan bekommt man ab und zu mal einen Einblick in seine Gedankenwelt.0 von 1 Kunden fanden die folgende Rezension hilfreich. me timeVon Kim Schultgood summer read nothing to heavy just right to relax and enjoy some romantic me time while forgetting reality :)

There is just one problem- he needs a wife first.Ewan has never wanted to marry. He's not the sort of man to be tied down to one woman for the rest of his life. Luckily for him, the old Clan Cameron traditions offer the perfect solution: a handfasting. Ewan can have a year of marriage- long enough to sire his son- and then he and his wife can go their seperate ways.Cait Everleigh is the perfect temporary bride. She is only a servant, but Ewan has known her almost his entire life. He knows everything about her- from her lowly English origins to her bookish hopes and dreams. There's only one thing that Ewan has missed- Cait has been in love with him for years!A half-English castle maid knows better than to dream of a life with the man next in line to be Clan Cameron's Laird. At least she thinks that she does, until she gets a taste.Can this dream become their reality?NOTE: This book contains explicit scenes and is not suitable for readers under age 18.KurzbeschreibungForced to face his mortality after he suffers a life-threatening injury, Ewan Cameron decides that he needs a son.
