Kurzbeschreibung From the NYT and USA Today bestselling author of the Carnal Coed series comes a workplace drama about an exclusive spa, and how one visit can change a person's views on love and life. When Ian shows up at the Ecstasy Spa to take his new girlfriend out for her birthday, he learns that she has been selling more than massages to pay her rent. At first he's enraged, then he's intrigued. What does she do with those men and her little bottles of scented oils? Would she do the same for him? Could he convince her to do those things for him exclusively? Note:

This book is a stand-alone story set in the Ecstasy Spa world. ber den Autor und weitere Mitwirkende A lifetime New Englander, Suzanne married her college sweetheart and has been with him for over twenty years. Every summer she drags her husband and two daughters to Maine on a quest for the perfect lobster dinner. Every fall she can be found down in Foxboro, Massachusetts cheering on her favorite football team. In between those trips, she's a chauffeur, a maid, a chef, an event planner, a hairdresser, a wardrobe stylist, a tutor and a sometimes masseuse. To keep her sanity, she often drinks copious amounts of coffee and stares at the blank screen of her laptop, dreaming of great adventures. Sometimes she even writes them down for others to enjoy.
