It leaves you totally stunned!Von CassandraWOW WOW WOW OMFG OMFG OMFG let me whip away the tears and I can write!Yes this book is about cheating! No it is not giving you an excuse to do it! No it's not showing you hearts and flowers, when things crashing down! It shows the ugly side! The hurt! The anger! The sorrow! The betrayal! The tears! The accusation! The ugly words!At first I was a bit confused why we get back in time again and again. But it is

important to understand the story and Mia Asher definitely chose the right spots of Ben and Cathy's past. Every word from the beginning to the end sucked me in and didn't let me go. Every little word made you understand why the things happened like they did. Once again, it is not an excuse for cheating! But after everything Cathy went through...let's just say, Arsen was at the right place at the right time with the right understanding. I totally love Cathy and have the deepest respect for her! I loved how the characters grew throughout the story, how they revealed their true feelings. And if people think the epilogue is just to show the HEA...read it carefully! Pay attention!!! You are in for a surprise! My words won't do justice to this awesome book Mia Asher wrote! It leaves you with all kinds of feelings and it leaves you totally stunned!

Kurzbeschreibung One glance was all it took I'm a cheater. I'm a liar. My whole life is a mess. I love a man. No, I love two men I think. One makes love to me. The other sets me on fire. One is my rock. The other is my kryptonite. I'm broken, lost, and disgusted with myself. But I can't stop. This is my story. My broken love story. *Standalone* Kurzbeschreibung One glance was all it took I'm a cheater. I'm a liar. My whole life is a mess. I love a man. No, I love two men I think. One makes love to me. And, oh yes I might be a bit crazy - but who isn't?
