Von Vivienne Lafay : Artistic Licence before purchasing it in order to gage whether or not it would be worth my time, and all praised Artistic Licence:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Romantic, colorful, and touching
Von Ein Kunde I am a big fan of the Black Lace series, but this is one of my favorites. LaFay's richly descriptive prose drew me into the world of Renaissance Italy, and her portrayal of the struggling artist Carla Buonomi, who has to disguise herself as a boy in order to pursue her dream, stayed with me long after I had finished the book. This novel will appeal to readers who enjoy erotica as an overall sensual experience; all of the senses are engaged in this story of a young woman's development as a creative and sexual person. The writing is juicy, bawdy, and fun to read. My only criticism would be that some of the language is anachronistic, but I found that easy to overlook. This is a very special novel.
0 von 0 Kunden fanden die folgende Rezension hilfreich. An interesting book
Von Ein Kunde Not one of Lafay's best books. Some scenes were medium-hot while many others were just flat. The plot was pretty good.

Kurzbeschreibung
In Renaissance Italy, Carla Buonomi is determined to find a new life for herself where she can put her artistic talents to good use. Dressed as a boy - albeit a very pretty one - she travels to Florence and finds work as an apprentice to master craftsman, Piero Cortoni. All goes well until she is expected to perform licentious favours for her employer - who discovers her gender bending secret. In an atmosphere of repressed passion, Carla has to ensure that Piero keeps his word. If the Guild of Apothecaries finds out, she will face not only expulsion but also severe and humiliating punishment.
