Spannung keinen Katzensprung entfernt Von Mamangaba Selten einen Roman gelesen, der Historie auf mehr als 700 Seiten so spannend vortrgt, wie "As the crow flies". Mehr oder weniger eine Patchwork-

Familie, die auf dem Londoner Kunst- und Kolonialwarenmarkt ein Imperium gründet, über beide Weltkriege hinaus, Welt umspannend. Lesenswert, der amerikanische Traum, britisch gelebt. 10 von 10 Kunden fanden die folgende Rezension hilfreich. A Masterpiece! Von Andy This is the only book that I have read more than once. And I'm positive that I'll read it again. This novel grabs your heart and soul from page one and takes you on an unbelievable ride! You'll emerge from this book grasping for breath, wondering where you've been for the last couple of days. The story is of a boy who grows from running a vegetable and fruit stand to a man who owns a huge, huge, store. It's the story of a young man's struggle to climb up in life; the story of a man's pain that comes with life's difficult turns; the story of a man's joys as dreams are realized; the story of a man's experience with humanity. Your heart will grow jealous with Charley's, your spirit will suffer blows along with Charley's, your life will be fulfilled when Charley's does. This book is a tale without boundaries, it's the story of all of our lives. Buy it, you'll love it.

Kurzbeschreibung As the Crow Flies is an epic rags to riches tale from Jeffrey Archer, author of the bestselling The Clifton Chronicles. If your dream is big enough, not even your enemies can stop you . . . Charlie Trumper's earliest memory is of hearing his grandfather's sales patter from behind his costermonger's barrow. When Grandpa Charlie dies, young Charlie wants nothing more than to follow in his footsteps his burning ambition is to own a shop that will sell everything: 'The Biggest Barrow in the World'. Charlie's progress from the teeming streets of Whitechapel to the elegance of Chelsea Terrace is only a few miles as the crow flies. But in Jeffrey Archer's expert hands it becomes an epic journey through the triumphs and disasters of the century, as Charlie follows a thread of love, ambition and revenge to fulfil the dream his grandfather inspired. .de When Charlie Trumper inherits his grandfather's fruit and vegetable barrow, he inherits as well his enterprising spirit, which quickly lifts him out of poverty in London's East End. Success, however, does not come easily or quickly, particularly when World War I sends Charlie into combat and into an ongoing struggle with a vengeful enemy who will not rest until Charlie is destroyed. Charlie Trumper's epic journey carries him across three continents and through the triumphs and disasters of the twentieth century, all leading toward the fulfillment of his greatest dream. .com When Charlie Trumper inherits his grandfather's fruit and vegetable barrow, he inherits as well his enterprising spirit, which quickly lifts him out of poverty in London's East End.
