Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Absolutely love it Von MoniK65 As you like it in this form is great if you want to read it just for fun. It is, however, not good for working with it since it has no situations whatsoever. But if you want to read it just for entertainment and pleasure and just because you want to know the play it is great. 0 von 1 Kunden fanden die folgende Rezension hilfreich. So mag ich es... Von e64... denn dieser alte Stoff funktioniert auch als E-Book. Schn, dass hier der Originaltext

bernommen wurde. As You Like It ist auch nach zehnfachem Lesen immer noch ein Vergnügen. Ich empfehle *As You Like It*, die anderen Shakespeare-Werke dieser Reihe. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun to read

This version is very nice to read. Its format is absolutely fitting for the Kindle and I had fun reading through this alltime classic. Doesn't allow you to work with, though. Missing a correct paging, no situations, no commentary. But I recommend this play to everyone who's is looking for a nice read of Shakespeare. Thou will find thyself lucky ;)

Pressestimmen 'The annotation is generally superb...Especially outstanding is the section [in the Introduction] on the play in performance. There are 21 captivating illustrations. This edition shows the result of much original research and it is recommended unreservedly.' * Year's Work in English Studies *
