Von Jennifer Malin : As You Wish (Three Wishes Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised As You Wish (Three Wishes Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Communication Problems Mar PlotVon Anne M. MarbleThis book showed promise. The author deftly shows the differences between the Regency era and the modern era by the responses of her modern-day heroine and Regency-era hero. However, the miscommunications bewteen the Leah and David kept the book from getting a higher grade.We get

some insight into David's character. But we didn't get to know Leah that well. By the time we learned her background, it didn't jive with the way she acted. At All About Romance, I gave this book a C.0 von 0 Kunden fanden die folgende Rezension hilfreich. disappointing Von Ein Kunde I'm sorry to have to disagree with the other reviews. I am an avid reader and enjoy most time travel romances. However I found this book to be boring without much character development. I found it difficult to believe their romance and actually had difficulty finishing the book. I'm sorry to say I won't be looking for this author's name again. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not as romantic as i thought it would be Von stephanieoh@hotmail.com the story and everything was good and surprisingly well written, but the relationship between Leah and David was only about two beautiful people trying to find someone who would rival their own beauty. Their love is about as shallow as the spring itself.

Kurzbeschreibung While touring an English estate on summer vacation, American Leah Cantrell finds an antique coin in a spring and tosses it back, casually wishing she knew who originally made a wish with it. The next thing she knows, she slips into the water and finds herself drowning in an abyss. In 1815, David Traymore, illegitimate son of the Marquess of Solebury, saves Leah from drowning on his father's property. In his view, she's dressed scantily, speaks with a strange accent and talks a lot of nonsense. Is this mysterious woman a madwoman, a French spy, the victim of a crime ... or the answer to his wish? Fans of Sylvia Day, Diana Gabaldon and Julia Quinn will enjoy this time travel romance featuring a contemporary heroine and a hero straight out of the Regency England of Jane Austen. Book 2 in the Three Wishes series, preceded by the novella Wish I Might. These books can also be read as standalone works. Originally published as part of the Berkley Jove (Penguin Group) Time Passages line.

ber den Autor und weitere Mitwirkende JENNIFER MALIN inherited double copies of the bookworm gene from a mom who reads voraciously and a dad who once spent his downtime writing in the crane he operated. Her first two novels, AS YOU WISH, a time travel, and ETERNALLY YOURS, a ghost romance, were originally published by Jove (Penguin Group USA). After that came four works set in Regency England--one from Leisure and three from Zebra. In recent years, a fascination with archaeology inspired THE FIVE-DAY DIG, a contemporary mystery/romance set near Pompeii; SEVENTH SANCTUARY, a steamy novella of ancient Sumeria; TEMPLUM, a time travel featuring a contemporary heroine and an ancient-Roman hero. Her latest novella WISH I MIGHT is the prequel to AS YOU WISH. Next up is the third installment in the series. Jen and her husband, Martin, an Aussie ex-pat, live outside of Philadelphia but travel to see ancient ruins and Formula 1 races as often as they can. Shes an art enthusiast, a fan of film, and the proud aunt of three amazing nephews. Find descriptions and sample chapters for all of her books at www.jenmalin.com.
