**Von Erica Stevens : Ashes (Book 2 The Kindred Series) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ashes (Book 2 The Kindred Series) (English Edition):

Although there is one thing that's making me angry: They all say that Cassie is so damn strong because she is so special but I didn't "see" any of her strength. Yes, nobody knows yet what she really is and yes, her enemy is one she can't defeat, but still I would have liked to see a few good fights from her. Everytime she's fighting with Julian, she immediately gets beaten up with maybe one or two punches in his face. So, if the author wants Cassie to be one of the strongest fighters then there have to be also battles where the reader will get convinced about this - just describing Cassie this way is not enough, therefore only 3 stars.

Kurzbeschreibung Edited by Leslie Mitchell at G2 Freelance Editing and re-released 8/20/13. For the past four years Cassie has only known vampires as her enemy. With the revelation of Devons true nature she must come to terms with the fact that not everything she knows is right, especially when the source of her Hunter powers is revealed. Slowly, Cassie begins to unravel the mystery that enshrouds Devon as the bond between them grows and intensifies. Its not until a woman from his past walks into their present, that Cassie realizes there are far more layers to Devon than she ever realized. Layers that may very well destroy her, and everyone that she loves. Thrown off by the new arrival in their town, and struggling to survive, Cassie is not prepared for the devastating blow that leaves the world she knows nothing but a pile of rubble and ashes. Ashes that may very well give rise to something else inside of her, something thats not entirely human. Book 2 of 5 This is a young adult fictional story that includes some language, violence, and mild sexual situations. Recommended for ages fifteen and up.
